The Emperor Francis Joseph, of Aus-

tria, it is announced officially, will make a visit to the pope and will accept official receptions in Turvn, Milan and Rome. In the Italian capital the emperor vill become the guest of King Humbert, and will reside at the Quirinal. The programme for this imperial visit is so similar to that which was made for the recent official visit of the German crown perienced man could safely be en- Egypt would not only have to deal with prince as to impress Italians with the FRANK JAMES is getting worse. He trusted with such important duties. the False Prophet, but the Abyssinians, at Friedrichsruhe. The Roman officials The ordinance should also provide that no building should be erected without a permit from the inspection department.

In Buffalo recently a building was bastly and carelessly erected, the roof interest and the property of the possible political effect of Francis Joseph's visit. The irredent-state of Francis Joseph's visit. telegraph bill. Out of the numerous hastily and carelessly erected, the roof lans as the Prophet's levies are, and enlists, on the other hand, have called meetings to arrange for hostile demonstrations against the Austrian emperor because of the persecution and execution of Oberdank. The most astute of the Italian politicians do not hesita e to declare their belief that it will be unwise and possibly perilous for the managers of the imperial ourney to carry out that part of the annaunced programme which arranges for demonstrations in Turin and Milan in honor of the Austrian emperor. The Turinese and Milanese are excited over the proposed visit, and in a mood to resent it as an insult to Italian unity. The editors of Turin and Milan have already inaugurated a hostile agitation by reminding the people of the bitterness the unforgotten struggle between the

northern Italian states and Austria, and

it would surprise no one who well knows

Joseph greatly outdo the Parisians who

insulted Alfonso. A Rome correspondent says the conversation between the pope and crown parts. One will remain absolutely secret, but the other will be published at the of the conversation, and that posterity may have a statement of much importance. The Italo-Austro-Hungarian-Germanic alliance has long been recognized by the thinking and reading portion of Italians in general, as far as Austria is concerned, while, for the great unedu-cated public it was deemed a thing too monstrous to be possible, so that always t has sufficed for a newspaper or for a popular orator to speak of King Humert as the "Austrian Colonel," to arouse feeling of aversion against the otherwise not unpopular young king. He is, in fact, colonel of the (most hated of Austrian names) Haynau regiment.

The introduction of "stump" speaking pions of the imperial connection. For a in England is pointed to by The London Telegraph as a striking indication of "the development of our political system." But recently it was thought beneath the

Urged on by a riotous popular clamor, the Mexican congress, which has adjourned until April, dealt promptly and victory at Ipswich as an offset to their incisively with President Gonzales' nickel The nickel coined whighed 560 tons, the amount legally fixed being four million dollars in one, two and five-cent pieces.

Among the reforms promised on the reassembling of congress are a reduction of the tariff and a general introduction of the bonded warehouse system.

> The patience of the pope appears at last to have outworn the persistence of Prince Bismarck. The obnoxious Falk laws have been repealed, and the Prussian government again undertakes the payment of the salaries of the Catholic lergy so long denied them.

> Arabi Pasha has been heard from. He says he has no desire, at present, to go back to Egypt. He thinks El Mahdi will make matters interesting for the khedive
