**NEW YORK.** January 26.—Wheat—Cash @ 2  
higher; options opened 1/2@2 per cent; closing  
offered at 15 per cent.

Prime Paper—1/2@1 per cent.

Exchange Bills—1/8@1 per cent, 4.87%.

Governments—Lower for 4%.

Stocks—The stock market opened quiet.

In the first sales the prices declined 1/2@ per  
cent for the general list, and 1 per cent, for  
Northern Pacific preferred and Oregon Trans-

continental. Before the first call the decline  
was recovered, and at noon the market was  
strong. After midday a sharp raid was made  
on the Canadian Pacific, the price being  
forced down from 57@ to 54@. The decline in  
other active shares was unimportant. In the  
afternoon the market gradually hardened  
until the last hour, when great activity pre-  
vailed, and large blocks of all leading stocks  
changed hands at rapidly advancing prices.

The change in the temper of speculation took  
the bears completely by surprise, and the  
market was considerably higher before they  
were able to buy many stocks to cover. The  
advances from the lowest point of the day  
ranged from 1/2 to 3 per cent. The heavy  
buying movement in the afternoon was due to  
dispatches stating that representatives of the  
Chicago, Burlington & Quincy, St. Paul,  
Union Pacific and Rock Island, at a private  
conference at Chicago last night, had prac-  
tically settled all questions of dispute, also  
that the passenger and freight war on Utah  
business had been terminated, and that rates  
would be restored Monday. Every stock on  
the list showed an advance as compared with  
the closing quotations yesterday. Oregon  
Navigation went up 5@ per cent, Northern  
Pacific preferred, 1/2; Union Pacific, 1/2; Mis-  
souri Pacific and Kansas & Texas, 1/2, and  
Chicago, Burlington & Quincy and St. Paul,  
1/2 per cent.
