Prime Paper—4@5½ per cent.

Exchange Bills—Steady at 4 85½; demand, 4 89¼.

Stocks—State bonds quiet. Western Union, Louisville & Nashville, Lackawanna, Lake Shore, Oregon Transcontinental and Union Pacific were the features of speculation at the Stock exchange to-day. In the early session Western Union advanced and sold up from 76½ to 78¼ on increased transactions. Transactions in Union Pacific were on an enormous scale, footing up to 106,860, out of a total of 375,685 shares. Covering by leading bears continued in this stock and the price was carried up to 84⅝. Lake Shore was bought by Vanderbilt brokers. Oregon Transcontinental advanced ⅜ per cent up to 21⅞. Changes in the remainder of the list were less important. About 12:30 o'clock Pullman Palace car stock was forced down from 111¾ to 106, for the purpose of breaking the general market. The attempt was successful so far as the general list was concerned. Pullman subsequently reacted and closed at 108@108¾. In the afternoon Union Pacific was weaker, falling off to 83¾. Other active shares yielded ⅛ to ¾ per cent. During the last half hour, however, the whole market became strong again and prices rallied ¼ to ½ per cent, under the leadership of Union Pacific. As compared with yesterday's close prices were ⅛ to ¾ per cent higher for Western Union, Northwestern preferred, Missouri Pacific, and others, and ¼ to ½ per cent lower for Northwestern, St. Paul, Rock Island, Northern Pacific, Union Pacific and Wabash preferred.

Omaha Real Estate is a safe investment for both local and foreign capital, and there is no property, in or around the city, but what will bring purchasers good returns in the near future. We have property for sale in all parts f the city, and also

ACRE PROPERTY

Surrounding the city, all of which we gladly show to parties who feel interested.

We are often asked which is the best part of the city for an investment? We always advise patrons to buy what is called

Inside Property

By this is meant property not more than one and a half miles from the Postoffice, and the nearer the center the better the investment. While outside property will steadily advance in price, inside property will advance much greater in proportion. The new addition to the city kuown as

NOW IS THE TIME TO BUY,

As these lots will, in a short time
