FORTY-EIGHTH CONGRESS.

SENATE.

WASHINGTON, February 27.—In the senate Mr. Van Wyck (rep. Neb.) asked consideration of the following resolution.

Resolved, That the committee on post-offices and post roads be directed to inquire whether at any time the Western Union and Baltimore & Ohio Telegraph companies, or any officers or employees of said companies, entered into contract or negotiation for the purpose of consolidating said companies or making a combination for any purpose.

After debate the resolution was referred to the committee on post-offices and post roads.

Mr. Blair (rep. N. H.) introduced a bill to extend the time for completion of railroads west of the Mississippi river to which land grants had been made, and which in good faith were prosecuting the work of construction, without forfeiture of said lands.

Mr. Lapham (rep. N. Y.) introduced a bill to incorporate the Yellowstone Park railway and aid in its construction.

Mr. West (dem. Mo.) offered a resolution, which was agreed to, calling on the secretary of the interior for information as to whether the part of the Crow reservation in Montana had been leased, and if so by what authority.

The senate resumed consideration of the bill to provide new cruisers for the navy.

The debate was participated in by Messrs. Jones (dem. Fla.), McPherson (dem. N. J.), Hale (rep. Mo.), Cockrell (dem. Mo.) and Beck (dem. Ky.).

Mr. Morrison (dem. Ill.) chairman of the ways and means committee reported a resolution directing the secretary of the treasury to inform the house how much money is now in the treasury of the United States, under what provisions of the law it is there retained and how much is in current receipts, expenditures and liabilities.

Mr. Valentine (rep. Neb.) introduced a bill authorizing a bridge across the Missouri near Des Moines.

Mr. Cox (dem. N. Y.) and others objected.

Mr. Bayham (rep. Pa.) from the committee on post-offices and post roads reported adversely the bill to prevent the use of the United States mails to advertise noxious medicines, food and commodities.

The houses went into committee of the whole on the pleuro-pneumonia bill.

A motion to strike out the question which provides that states shall pay half the expense of the valuation of animals slaughtered as diseased, was lost.
