

THE DAILY BEE.

The Weather. For the Upper Mississippi: Clearing weather, northwesterly winds, becoming variable, and stationary temperature.

LOCAL BREVITIES.

Mors rain and oceans of the finest mud in America. The overland train from the west was one hour and a quarter late yesterday morning.

The firemen will give a social in their meeting room, in the city hall building, on Thursday evening next.

Yesterday morning was another dull one in police court. Not a single arrest was made by the police Monday night.

The young people of the Presbyterian church, Dodge street, will give a social on Friday evening.

Chaplain Lewis has been ordered to Fort Omaha, to take the place of the late Chaplain England, U. S. A.

Mr. Matt Clair has a number of valuable maps of the northwest, issued by the C. & N. W. Ry. for presentation to business men who will call at the railway offices in the Paxton.

That old poem, "Hast ever been to Omaha," etc., is very appropriate just at this time, especially the line, "Four strong oxen scarce can draw an empty wagon through the town."

An adjourned meeting of the board of trade was held Monday when the new constitution, looking to a more metropolitan organization and raising the membership fee to \$125, was adopted.

The Missouri Pacific was three hours late yesterday, the delay being occasioned by the wash-out, and the Union Pacific Lincoln train, which is due here at 12:55 A. M., did not arrive until 5:30 P. M.

The city clerk and his corps of assistants have been busily engaged for several days past in making up the assessment books for 1884. Two days more will complete the work and the books will be in readiness for the assessor April 1st.

The writ of restitution in the case of Crouse against Callan, has been issued. It will be served this morning. This will give Mr. Crouse possession again of Crouse block at 16th and Capital Avenue.

The auxiliary society for the Home of the Friendless will meet on Wednesday at 3:30 p. m., at the residence of Mrs. Dr. Dinmore, 1724 Capitol Avenue. All members are requested to be present. Delegates for the quarterly meeting at Lincoln will be chosen.

Another disagreeable row occurred at the Theatre Comique Monday night. Almost night by these rows take place and will so long as the place is permitted to run. It is only a matter of time and the place will furnish another sensational item for the papers in the way of a tragedy.

The Creston Gazette makes the King City feel small in the following: "John McCaffrey returned from Omaha last night, where he has been looking after the interests of his fire department. After a close inspection of both the Omaha and Bluffs departments, he says Creston will not suffer in the least by a close comparison."

Antone Christensen, a young man about 21 years of age, disappeared Sunday night and has not since been heard of. He leaves behind him a wife and child as well as aged parents, all of whom are nearly distracted. Whether he was foully dealt with or is voluntarily absenting himself is at present unknown.

From a San Francisco paper the following is gleaned in regard to an Omaha celebrity: Miss Nellie Burke, a well known equestrienne on this coast, has accomplished the remarkable feat of riding 100 miles in five consecutive hours, on a waver of \$1,000. She changed horses forty times, and won in four hours and fifty-five minutes.

AMUSEMENTS. "Our American Cousin" at the Boyd. George Holland supported by Miss Constance Murielle and a very poor company, appeared in Tom Taylor's comedy, "Our American Cousin," at Boyd's opera house last night, to a very light house.

With a favorable notice of the work of Miss Murielle and Mr. Holland, all praise for the Holland comedy company must compare Mr. Holland's work with that of the lamented Southern, but is of the opinion that Mr. Holland's conception of the part of "Lord Dundreary" is very nearly a correct interpretation of the author's ideal "Dundreary." Why Mr. Holland does not surround himself with more such artists as Miss Murielle, is "a thing no fellow can find out."

Wide Awake Druggists. C. F. Goodman is always alive in his head and spurs no pains to secure the best of every article in his line. He has secured an agency for the celebrated Dr. King's New Discovery for Consumption. Inhuman Treatment. The people in the vicinity of Caldwell and Campbell streets, North Omaha, are occasionally treated to a performance which they think would better adorn a menagerie, as the actors resemble brutes rather than human beings. On Sunday morning when most people were at church and those who staid away were enjoying the bright sunshine and exhilarating air this discordant "circus" again commenced. There were three performers. A man, woman, and a boy about ten years old. The man led off in true ring master style whipping the boy about the yard with a horse whip. As soon as he came near the house the woman attacked him with a heavy boot, beating him over the head with both hands, while he fled crying, "Oh, mother! Oh dear, my head, my head!" But this libel upon the sacred name was not enough, and setting him between her and the house laid blows upon his head which could be heard a block, and then pushing him into the house followed and shut the door upon the disgraced scene. We do not know what was the offense of the boy, but it could be nothing which would justify such treatment.

DEMOCRATIC PRIMARIES.

The Result Entirely Satisfactory In All the Wards Except the Third.

The democratic primaries were held last evening between the hours of 5 and 7. Not much enthusiasm was manifest. In one ward only, the Third, was there any contest. Here three tickets were in the field. One headed by Aug. Weiss, one by Pat. Ford, and the third by John O'Connell for councilman. The following are the names of the delegates to attend the city democratic convention which meets to-night at 7.30, and the result of the ballot for councilmen in the various wards.

FIRST WARD. Delegates—Chas. Kaufman, Thomas Casey, David Guild, Chas. Conroyer and Patrick Desmond. For city councilman—Geo. W. Duncan received 221 votes and Felix Slaven 50.

SECOND WARD. Delegates—R. O'Keffe, Wm. H. Ijams, V. Burkley, Ed. Moriarty. John Mahony was the unanimous choice for city councilman. It is understood that this delegation will favor the renomination of the old members of the school board.

THIRD WARD. Delegates—Julius Meyer, John Wustman, Henry Parrish, Henry Hornberger, Michael Donovan. For councilman Pat Ford received 185 votes, John O'Connell 127 and August Weiss 112.

FOURTH WARD. Delegates—J. J. O'Connor, Jerome Pentzel, W. A. L. Gibson, Peter Goos, Truman Buck. No candidate for councilman was voted for here. The nomination has been left to the central committee.

FIFTH WARD. Delegates—A. N. Ferguson, James Bolan, H. B. Brown, W. T. Whitehouse and Tim Moriarty. J. H. Whalen, for councilman, received 210 votes.

SIXTH WARD. Delegates—Andrew Smith, George E. Stratham, Lewis Shields, John Morris and James Powell. J. H. Winespear, for councilman, received 39 votes, being the unanimous choice of his ward.

Considerable dissatisfaction is expressed by Mr. O'Connell, of the Third ward. He claims to have been defeated by his opponents by a trick. It is thought he will run independent.

Their success in the last concert was unexpected and a surprise to the audience, hence there will be a general interest to hear more of their work on this occasion.

BLAIR AGAINST OMAHA. An Exciting Contest at the Skating Rink Last Night in Which the Visitors Came Off Victorious.

The roller skating last evening was crowded to its standing capacity to witness a game of polo between the Blair and Omaha teams.

At 9 o'clock Mr. D. W. VanCott, as referee, called the game and the following gentlemen appeared upon the floor: Messrs. Sterns, Stevens, McDonald, Higley, Kinney and Ballard, of Blair, and Messrs. McKoon, Canfield, Hitchcock, Helfrey, Gratton and Rubidoux, of this city.

After the grand march the clubs took their respective positions with Messrs. Morford and Daniels as judges. At the sound of the referee's whistle the "runners" of the clubs started pell mell for the ball, and for the next five minutes everything was confusion.

The first inning was won by the Omahas, not, however, until the Blairs had claimed "goal." Their claim was not sustained by the referee. The next inning was won by the Blairs. Now the excitement ran high, as this made the clubs gamblers. The last inning was a repetition of the former two, and was won by the Blairs amid the cheers of the spectators.

The Omahas team challenged the Blair club to play a series of three games. This was the second game played and won by the Blair team. The Blair club is worthy of praise for its fine appearance and gentlemanly conduct. Not an objection was made to any decision of judge or referee, and the best of feeling prevailed throughout the entire game.

The defeated club will play at Council Bluffs next Saturday and is going into practice immediately for that purpose. The greatest medical wonder of the world. Warranted to speedily cure Burns, Cuts, Ulcers, Salt Rheum, Fever Sores, Cancers, Piles, Chills, Glands, Corns, Tetter, Chapped hands, and all skin eruptions, guaranteed to cure in every instance, or money refunded. 25 cents.

The Hospital Fund. Some exceptions have been taken to the article in Monday evening's Bee in regard to the deduction of forty cents for the hospital fund from each man's pay. It is claimed by some of the Union Pacific employes that this only applies to men who draw pay every thirty days.

A certain young man was employed last week in the freight house of the Union Pacific company for four days and a half. At the end of that time he was laid off and a time check given him, with the forty cents deduction for the hospital fund. At the time of receiving his time check he was told to come around this week and he might have a few days' work. He says he thinks that the deduction is made whether a man works one day or thirty.

Baking Powder Figures That DON'T LIE

The Royal Baking Powder Co., try to give the inference that their powder contains more CREAM TARTAR than that its LEAVENING POWDER is greater than any other made, as stated in their advertisement on the "Comparative Worth of Baking Powders," exhibited by black lines. Our name was mentioned in connection with one of our cheaper brands, made of different materials as the trade might demand. Our CREAM TARTAR brand of ANDREWS' PEARL was omitted evidently for a very good reason, judging from the RELATIVE MERITS of Andrews' Pearl, and the Royal, as clearly demonstrated by the Government Chemist, Dr. Peter Collier, of the Department of Agriculture, at Washington, from samples received by him from dealers who furnished the samples from their stocks on hand in open market.

DR. COLLIER'S ANALYSIS. U. S. DEPT. OF AGRICULTURE. Washington, D. C., March 19, 1884. C. E. ANDREWS & CO.—Gentlemen, I received by express from Thos. Lydon and J. P. Harkins & Co., Grand Ave., Milwaukee, and Harper Bros., Chicago, Ill., samples of Andrews' Pearl and Royal Baking Powders. The cans were in good condition when received and the seals unbroken. I find upon analysis that Andrews' Pearl Baking Powder contains about four and a half 4 1/2 per cent. MORE CREAM TARTAR than the Royal Baking Powder, and a proportionately larger percentage of Carbolic Acid Gas, and I find it to be free from alum, and any injurious substances. Sincerely yours, PETER COLLIER, U. S. Chemist, Dept. of Agriculture.

Government Chemist Collier's Analysis as to the Leavening Qualities. ANDREWS' PEARL... ROYAL... No wonder the Royal Co., omitted Andrew's Pearl from their "Comparative List," as Government Chemist Collier's analysis shows conclusively two things: 1st That Andrews' Pearl contains MORE CREAM TARTAR than the Royal, as shown by the cuts above; 2d, That the LEAVENING POWER of Andrews' Pearl is GREATER than the Royal, as shown by the two black lines above.

CHALLENGE. We will give the Royal Co., or any one else \$1,000 or \$5,000 if they can prove by any fair mutual test that Andrews' Pearl Baking Powder does, or ever did, contain alum or any injurious substance, and this challenge is open forever. Andrews' Pearl Baking Powder is sustained by a testimonial as to its Purity and Strength by the only genuine commissioned Government Chemist, such as the Royal Co. never have published. TRY IT. C. E. ANDREWS & CO., 287, 289, 291, E. Water St., Milwaukee. 45 Michigan Ave., Chicago.
