## Thousands Hastened to their Graves

2

Relying on testimonials written in viv id glowing language of some miraculous cures made by some largely puffed up doctor or patent medicine has hastened thousands to their graves; believing in their almost insane faith that the same miracle will be performed on them, and that these testimonials make the cures, while the so called medicine is all the time hastening them to their graves. We have avoided publishing testimonials, as they do not make the cures, although we have

THOUSANDS UPON THOUSANDS. of them, of the most wonderful cures, voluntarily sent us. It is our medicine, Hop Bitters, that makes the cures. It has never failed and never can. We will give reference to any one for any disease similiar to their own if desired, or will refer to any neighbor, as there is not a can show its cures by Hop Bitters.

A LOSING JOKE.

A LOSING JORE. A prominent physician of Pittsburg said to a lady patient who was complaining of her continued ill health, and of his inability to cure her, jokingly said: "Try Hop Bitters!" The lady took it in earnest and used the Bit-ters, from which she obtained permanent health. She now laughs at the doctor for his joke, but he is not so well pleased with it, as it couch here a grand patient. it cost ham a good patient.

#### FEES OF DOCTORS.

The fee of doctors is an item that very many persons are interested in. We be-lieve the schedule for visits in \$3.00, which would tax a man confined to his bed for a year, and in need of a daily visit, over \$1.000 a year for medical attendance alone! And one single bottle of \$1.000 and all the year's sickness.

# A LADY'S WISH.

A LADY'S WISH. "Oh, how I do wish my skin was as clear and soft as yours," said a lady to her friend. "You can easily make it so," answered the friend. "How?" inquired the first lady. "By using Hop Bitters that makes pure, rich blood and blooming health. It did it for me as you observe."

GIVEN UP BY THE DOCTORS. "Is it possible that Mr. Godfrey is up and at work, and cured by so simple a remeay?

"I assure you it is true that he is entirely cured, and with nothing but Hop Bitters, aud only ten days ago his doctors gave him up and said he must die, from Kidney and Liver troubles!"

### DONALDSON AS A KNOCKER OUT.

MINNEAFOLIS, Minn., April 12.—Some time since Prof. Donaldson, of this city, offered to knock out in four rounds any man in the northwest. Three candidates for the honor met and selected one named Beecher, of Brainard. To-night the men met in market hall, which was filled. Two rounds were fought, Donaldson winning the match. An effort was made to bring about a meeting between Donaldson and Duplesois, but Donald-son claimed he had performed his part and refused to fight two men in one night.

At the time of the previous hearing before the house committee on banking and currency, we had been too much hurried, owing to the death of Ives and the change in our counsel, to put these latter charges in proper form, so we delayed their presentation until now, in order to make them complete in every detail, both as regards the allegations and the evidence supporting

The Dissatisfaction in Mexico Grow ing into Rebellion.

GALVESTON, April 12 .- A News Laredo special says: For several days rumors have been rife of a threatening revolution throughout Mexico, which are about assuming a tangible shape to erupt the state of the quiet prevailing for the past four years. The causes are large moneyed concessions to American railroads, the action of the government on the nickel question in ordering the base coin funded, and the repudiating of certificates of deposit on the return of the nickels; the passage of the stamp act requiring a twelve cent stamp on all articles offered for sale, notwithstanding the previous exorbitant custom house tax; failure to pay the soldiers of the regular army, resulting in the demoralization of the troops at Monterey and throwing down their arms and deserting in squads, because they are starving in the garri-
