Cuticura Remedies are the greatest medicines on carth. Had the worst case Salt Rheum in the coun-try. My motherhad it twenty years, and in fact died from it. I believe Cuticura would have saved her life. My arms, breast and head were covered for three years which nothing relieved or cured until I used the Cuticura Resolvent internally, and Cuticura and Cuticura Boap externally. J. W. When you come to think of ii, ii is not odd that literary people prefer a pipe to a cigar. It is handler to smoke when they are writing, and ever so much cleaner. And then it gives them the true essence and flavor of the tobacco. The most fasticlase smokers among all

The most fastidious smokers among all nations and all classes of men agree that the tobacco grown on the Golden Tobacco Belt of North Carolina is the most telle-lous and refined in the world. Ligiter than Turkish, more fragrant than Havas, freer from nitrates and nicoline than are other, it is just what the connoiseur praises and the habitual smoker demands. The very choicest tobacco grown on this Belt is bought by Black-welt's Durham Tobacco. It is known the world over. Get the genuine, with Bull be sure of having abao-lutely pure tobacco.
