FINANCIAL

NEW YORK, April 19.

Money—Easy at 1½@2 per cent.

Prime Paper—4@5½ per cent.

Sterling Exchange—Bankers' bills steady at 4 87½; demand, 4 89¼.

Governments—Quiet.

Stocks—Opened generally a small fraction higher for the majority of active stocks; until about 12 o'clock the market was dull and drooped, gradually becoming weaker under the hammering of room traders. Shortly after 12:30 the bears attacked Union Pacific, and started the report that owing to decreased earnings it would pass the next dividend. This report was emphatically denied by Union Pacific officials, but before the denial became known the raid had gathered strength and the price of Union Pacific was depressed 2½ per cent, to 67½. By 2 o'clock other stocks were also raided to a limited extent and the decline became general, though not so great on other stocks. Canada Pacific was exceptionally weak, and declined 3½ per cent, to 48, closing at 49. In the last hour the decline continued, and prices fell steadily until the close, which was generally at the lowest prices of the day. All the active stocks on the list with the exception of Northern Pacific common and New York Central closed lower than last night. Union Pacific, which was the leading feature, was traded in to the extent of over 120,000 shares, and shows a decline of 5⅜ per cent for the day. Other declines were Canada Pacific, 2½; Denver, 1; Missouri Pacific, 1; St. Paul, 1½; Omaha, common 1½, preferred 1⅞; others declined less than 1 per cent. Application has been made to the stock exchange to list $10,000,000 of Louisville & Nashville collateral trust bonds, dated March 1, 1883, due in 1922. These bonds bear 6 per cent, have a sinking fund and are convertible into common stock. The New York, Lake Erie & Western also applies to list $5,000,000 of collateral trust bonds, bearing 6 per cent.
