North Platte's greatest need at present is a base ball club. The old plated elephant will soon make a tour of the state.

THE PROPRIETOR OF THE HASTINGS SKATING RINK

attempted suicide last week. Remorse from the number of broken bones he had caused led to it.

THE BEATRICE CANNING FACTORY IS MAKING ARRANGEMENTS FOR ITS SEASON'S BUSINESS.

It is the finest institution of the kind in the state of Nebraska.

ANNA McCaffrey, while temporarily insane, was drowned on the night of the 30th ult., in Indian creek, at Odell.

A man named Ralph Goodwin, a well-to-do farmer of Dakota county, has been taken to the insane asylum at Lincoln.

A stranger who registered at a hotel as H. Kaufman, suicided at Winster by stepping in front of a moving train.

West Point people were looking out for a cyclone the other day, but nothing more sensational developed than a few hail stones about the size of hens' eggs.

Plattsmouth is in need of a flat-topped refrigerator. The lease holders of that town propose to take up the pennant dropped by Omaha and carry it proudly through the summer.

The U. P. surveyors are engaged in running a line from Valparaiso to Red Cloud, striking Nevada, Exeter, Geneva and Edgar, leaving Fairmont about six miles to the west.

The Union Pacific surveyors went quietly to work a few days ago, surveying a line from Roca, a station on the U. P. of Lincoln, to Crete, and thence in a southwestern direction.

A pair of guiltless Kansas men, representing a patent collection agency, done up West Pointers to the tune of \$20 before their real character was discovered. They left town between days.

A Grand Inquirer named Bruchman attempted to hang his wife last week. She declined to be disposed that way, and with the assistance of neighbors knocked some of the buck over his head.

Mrs. Bertha Ollerman, a West Point bride of twenty days, suicided with laudanum. She had enjoyed barely five years of maiden misery and the corpse of a husband at her feet, and she caused her to wing her spirit to the other shore.

At a recent meeting of the Hastings Y. M. C. A., the members knelt in earnest prayer for the salvation of the base ball players of the town. The result is that the willow widders will soon tackle Plattsmouth for the pennant.

Jefferson county furnishes an eloquent that lays in the shade anything heard of. Last week a young man, a son of a farmer, ran away with his aunt and three children and secured for him a male team belonging to his uncle. So far nothing has been heard of them.

F. McMillan, an attorney of Habbe, was drowned in Rose creek, near that place, while attempting to cross in a wagon. A man named Knight was with him, who saved himself. The horses were drowned and found about a mile below. McMillan's body was recovered. He leaves a wife and two children.

The boy pistol scores another victim, this time at O'Neill City. Last 4th of July Willie Lavanauke was wounded while handling a pistol, from the effect of which he suffered up to last week when death came to his relief. He was a bright, 14-year-old boy, but the pistol was too much for him.

Hastings is now assured of an opera house. A stock company with a capital of \$20,000 has been formed and the work of construction will soon begin. The building will be centrally located on the southeast corner of Second street and Lincoln avenue and have a frontage of sixty feet on Second street with a twelve foot entrance way 112 feet on the avenue, affording a rear entrance to the stage.

The Fremont Herald, the organ of the bachelors, is worried to find out why a woman will spend six weeks putting scallops on her dress, and nobody here will ever get a glimpse of, and then run about the neighborhood in an old dirty wrapper without any belt, and every other button burst off.

A silly man is out of luck as in luck, according to the sentiments of the reader. After several months of devoted attention to a huxton bally at Spring Creek, she named the happy day only to amuse his cup of ill-luck in the matrimonial altar. She deserted him before the minister had pronounced the fatal words and secured for him a male team belonging to the parental ranch to await another round up.

The Wakarusa Star, of the 2d, referring to the opening of the Omaha reservation says: From the meagre reports received they had a lively time on the reservation yesterday. Pistols, both of the pocket and belt variety, were plenty, but we hear of no serious encounters, although trouble had been anticipated. Some of the parties had houses framed already to put on their land, but so far we have heard of no one who has succeeded in holding his claim.

A terrible accident occurred in North Bend Saturday morning. Miss May Yarden was riding and burning track around the door-yard when her clothes caught fire and were burned entirely off her before assistance could be rendered. When she discovered she was on fire she lost her presence of mind and rushed into the house, calling for help. Her brother Dan was the only person in the house, and he had not yet got up, but on hearing the alarm jumped up and attempted to smother the fire out with bed covers, but did not succeed until her clothes were almost entirely burned. Her flesh was burned to a crisp from her head to her feet, but she did not inhale the fumes and is in good spirits, with the chances against her recovery. Dan was badly burnt about the hands and face.

A Millionaire's Failure

N. Y. Correspondent to St. Louis Republic. The hard times of this spring affect real estate, which is always first to suffer and last to respond, and several disastrous failures have occurred among builders, but none of such moment as that of John H. Deane, which occurred yesterday.

THE USUALS HASTENED TO THEIR GRAVES

Relying on testimonials written in vivid glowing language of some miraculous cures made by some largely puffed up doctor or patent medicine has hastened thousands to their graves, believing in their almost insane faith that the same miracle will be performed on them, and that these testimonials make the cures, while the so called medicine is all the time hastening them to their graves.

THOUSANDS UPON THOUSANDS OF THEM, OF THE MOST WONDERFUL CURES, VOLUNTARILY SENT US.

It is our medicine, Hop Bitters, that makes the cures. It has never failed and never can. We will give reference to any one for any disease similar to their own if desired, or will refer to any neighbor, as there is not a neighborhood in the known world but can show its cures by Hop Bitters.

A LADY'S WISH

A prominent physician of Pittsburg said to a lady patient who was complaining of her continued ill health, and of his inability to cure her, that if she used Hop Bitters, she would be cured.

THE FEELINGS OF THE DOCTORS

The fee of doctors is an item that very many persons are interested in. We believe the schedule for visits a \$3.00 which would tax a man 3-4 d to a bed for a year, and in need of daily visit, over \$1,000 a year for medical attendance alone!

GIVEN UP BY THE DOCTORS

It is possible that Mr. Godfrey is up and at work, and cured by so simple a remedy!
