**FINANCE AND COMMERCE.**

**FINANCIAL**

New York, May 8.—Money—Advanced 4 per cent., later re-  
turned 2 per cent.; closed, offered 3 per cent.

Primo—4 to 5 per cent.

Steeling Exchange—Bankers' bills weak at

\$1.88; demand, \$1.89.

Governments—Lower in sympathy with the  
rise in the share list.

Stock Securities—Dull.

Stocks—The share market opened weak and  
depressed for coal stocks; Granger and Trunk  
Line shares were also weak. Missouri Pacific,  
Western Union, Northern Pacific and Erie  
were exceptionally strong, and in good de-  
mand. After mid-day it was announced that  
the Baltimore & Ohio restored grain rates  
from St. Louis eastward. This caused a  
marked change for the latter, and in a very  
little time the market was 1@4c higher, the  
improvement being general. Near 2 o'clock  
the excitement subsided and there was a reaction  
of 1@4c. Subsequently a strong, buoyant  
movement set in and many shares sold up to  
the highest point of the day. Just before the close  
the bears raided Wabash preferred, Kansas &  
Texas, Lackawanna, Northwestern, and Reading.  
In the final transactions, however, there  
was a rally of 1@4c. The market closed  
firm.
