THE Nebraska state medical society has conferred a merited compliment on Dr. A. T. O. Mansfield, of Ashland, in making him its permanent secretary. Dr. Mansfield has rendered invaluable service to the medical society and the profession in the position which he now fills by his faithful and efficient labors and it must be highly gratifying to him as it is to his friends that his efforts are appreciated.

MAYOR CHASE expressed the opinion at the council meeting that the popular agitation relative to his appointments was principally about the chief of the fire department. He, therefore, sent in the name of Chief Butler, which was very properly confirmed by acclamation. But Mayor Chase must be defective in his hearing when he ignores the popular demand for a change in the office of chief of police.
