KANSAS FOR HIM.

LEAVENWORTH, May 19 .- The Leavenworth Times will publish a statement in the morning that letters have been re-make this bill of any value, the chief ceived here and within the state within a few days from both Senators Plumb and labor. Ingalis saying that they favor the nomination of Arthur on the ground that he is the strongest man named, and is certain to carry New York. It is now believed Arthur will have fully halt of Kansas' eighteen votes in the Chicago convention.

MACVEAGH'S VENOM. HE VENTS IT ON ARTHUR.

PHILADELPHIA, May 19.-The Times to-morrow will contain an open letter from ex-Attorney General MacVeagh to ex-Secretary Bristow on Arthur, as a presidential candidate. It opens thus: "I notice that you are announced to address a meeting to-morrow night in New York in support of the proposition that creation of any bureau. the political career of Chester A. Arthur makes his elevation to the presidency by the votes of his fellow citizens more desirable than that, for instance, of

SENATOR EDMUNDS,

or Senator Sherman, or any other of our eminent public men, whose names are frequently used in connection with that great office. As you extorted my admiration and support, and Mr. Arthor's contemptuous hostility, eight years ago, by your efforts to bring the guilty in high places to punishment, I am sorry to find myself differing so radically from you as to the present duty of men who care for a higher and purer public life; but

MY WABM PERSONAL REGARD for you makes me desirous that your muniem. responsible. speech should be a good speech, even in a bad cause 1 venture, therefore, to offer you a few suggestio s at the threshhave been ready to supplement when congress failed to yield to all the deold. I ought to warn you that while nobody envies Mr. Arthur's great prize, mauds of greed. as far beyond his expectation as his deserts, which he drew from the lottery of assassination yet nobody has forgot. ten the pregnant fact that

GUITEAU

FOTTY-EIGHTH CONGRESS. SENATE.

WASHINGTON, May 19 .- The bills reorted favorably were placed on the cal endar.

Ingalls, from the committee on judiciary, the bill to establish another judicial by dividing the Eight circuit, which now embraces the districts of Minnesota, Iowa, Missouri, Nebraska, Kausas, Arkansas oushed his way through the door, axe in and Colorado. The Eighth circuit under this bill includes the district of Nebraska, Kansas, Arkansas and Colorado, The Ninth circuit includes the district of

Minnesota, Iowa and Missouri. The chair laid before the senate a re solution, offered Thursday by Morgan,

directing the committee on finance to examine the case of the recent failures of the national banks, and whether such failures were due to violation and evasion of the law on the part of officers or direcbut the motion to adjourn was interjected tors of the banks.

of the northwest territories. Piepot for the purpose of investigation by the and carried. Morrill moved to amend by substituting comptrolier of currency for the finance

committee. Morgan said the very reason why he moved to dissolve the duty of the com mittee was because the officers appointed months, and complains of broken pledges laws had not performed their duty. There was, for instance, a law against the overcertification of checks, which it had be come notorious was utterly disregarded in the occasion of the passage of the law on the subject in July, 1882, New York newspapers had broken out into

spasms of merriment, and told congress the banks would laugh at its legislation,

and that they were beyond congressional control. The failure of the Marine bank eported Columbus Delano of Ono for has been due to the fact that the bank was connected with a firm of brokers. That bank had supported the firm of Grant & Ward on all the wild schemes in which young speculators saw proper to engage. The spectacle has been presented to the world that argued to the painful condition of honor in the city of New York.

Morrill modified his motion by moving the reference of the resolution to the finance committee. Bayard supported the HAREOBRIDED, RY., May 10, 4 and rible wholesale poisoning occurred here to-day. Collins, of the committee on judiciary, moved to suspend the rules and adopt a esolution to make the senate bankruptcy bill a special order for Tuesday, Jun

Culberson, (Texas) favored motion. tion was over. The bankrupt law was demoralizing and promotive of dishonesty. At this very time Wall street was in a maelstrom of speculation and great names were resting under a shadow of

disgrace on account of that speculation. Congress should not encourage this by the passage of a bankrupt law which would operate as injury to the public morals, and would work ruin to thousands of widows and orphans.

if alive.

Holmes and Moulton opposed the bill, Collins said he was not to be deterred from his advocacy of the bill by any suggestion as to the imminence of the presidential election. Let it come with all issues that might be involved. He did not believe the passage of a bankruptcy act would militate against the interests of his party.

The motion was losc. Yeas, 137; nays, 113. The banking and currency committee was next on the list, and Williams was ready with a resolution fixing the day for the construction of the McPherson bill.

> THE WOOL GROWERS. THE NATIONAL MASS MEETING.

CHICAGO, May 19 .- The national mass neeting of wool growers of the United States was called to order at 10 o'clock this morning,134 delegates being present. fifty of whom were from Ohio, and thirty-eight from Fennaylvania. Twenty-one states and territories are represented. J. S Codding, of Kansas, was elected temporary chairman. A committee on per-manent organization was appointed.

COLUMBUS DELANO FOR PRESIDENT. Committe on permenent organization

president, R. T. McCulley of Missour risecretary and a list of vice-presidents

rom wool growing states. Report was approved.

Delano in taking the chair returned hanks for the honor conferred, sketched the importance of the wool industry of the United States and the necessity united action for the protection of thus interest. He said the development of

wool growing began on the passage the wool tariff of 1867, and the result had been a reduction of the price of wool to manufacture. He urged the necessity of constant work until the res-

titution of that tariff was secured and politicians brought to terms. He urg-d the existing danger of financial ruin impending over our nation, held that a tar off for revenue was free trade and was dangerous to the prosperity of our country.

THE PLATFORM. First. That by the cousus returns for 1980 there were one million and twenty thousand
