FINANCE AND COMMERCE.

FINANCIAL

NEW YORK, June 21.—Money—Unusually
active. Call loans advanced 1 per cent.; closed
at 4 per cent. offered.

Primo paper—\$66 per cent.

Sterling Exchange—Bankers' bills weak, at
4 8/8; demand, 4 8/8.

Governments—Weak on sales of speculative
holdings.

Stocks—the exchange to-day was the scene
of great excitement. Fluctuations were fre-
quent and violent. At the opening the market
was lower and prices fell off 1/4 to 1/2 per cent.

for the general list, and 1/2 to 3/4 for Pacific
Mail and Michigan Central. The decline was
due to reports that a leading clothing concern
was in trouble, but this was subsequently de-
nied. About 10:15 it became known that a
large amount of Lackawanna had been called in.

The bears immediately started to cover,
which resulted in a large advance. Lackawanna
and Missouri Pacific were the greatest features
in speculation, the former rising 81 per
cent to 105, and the latter 91 to 100. Cash
stock was worth 1/2 to 1 per cent. more than
regular, and as high as 1/2 per cent. was paid
for Lackawanna. The other active shares also
commanded a premium for use. The general
list rose 1 to 3 per cent. The advance was
brought about by realizations. Missouri Pacific
fell off to 94, Lackawanna to 102, and
the remainder of the list 1/2 to 2 per cent.

When the bank statement was published a
fresh buying movement set in and prices rallied
1 to 1 1/2 per cent. outside of Missouri Pacific
and Lackawanna, which rose 1/2 to 51 per
cent. respectively.

Late in the afternoon the bears started a story that C. P. Huntington
and some of his corporations had failed or
were embarrassed, and money was bid up rap-
idly to 1/2 to 2 per cent.

Simultaneously drives were made against nearly all the leading stocks
and prices forced down 1 to 44 per cent. in the
general list, and 5 to 6 per cent. in Lackawanna
and Missouri Pacific. Central Pacific fell
off 4 to 3%. In the last fifteen minutes
there was a general recovery of 1/2 to 2 per cent.

Michigan Central, however, continued weak.

The results of the wide fluctuations of the day
was to leave the market irregular and changed
as compared with last night, though a major-
ity were lower, viz: Canada Southern 1, Chi-
cago and Alton 1, Central Pacific 2, Chi-
cago preferred 12, Illinois Central 12, Long
Island 15, Michigan Central 23, Northern Pacific pre-
ferred 14, St. Paul 14. The other declines
were fractional. The principal advances were
Lackawanna 3/4, Missouri Pacific 4, Oregon
Navigation 2 1/2, Rock Island 14. The other
advances were fractional.
