## FINANCIAL

NEW YORK, June 25.—Money—Easy at 1½ @2 per cent.

Prime paper—5@6 per cent.

Sterling Bills—Weak at 4 82@4 83½; demand, $4 83½.

The market has been hot and excited all day, and reports of squeezes to be made in leading stocks, and later of failures, caused uneasiness. There has been trading in Western Union Telegraph, Lackawanna and some of the grangers and Vanderbilts. Western Union varied from 53½ at the top to 51⅞ at the lowest price, and closed about ⅞ below last night. Lackawanna was as high as 107½, and sold at 2 per cent. below. The final prices were near 106. It was reported that the "Plymouth church calico crowd" would put it to 110, and the shorts were held in check. Lake Shore was the point of interest because of the meeting of directors, and they declared a dividend of 1½ instead of 2 per cent. The deficiency for six months is over $7,000,000. The stock opened this morning ⅜ above last night, and sold to 75, then to 72⅝, and later at 73¼. Burlington closed fractionally lower than last night. Illinois Central was 1 per cent. better at the highest price and 1¼ better than the lowest price and 1½ better than the lowest figure of the day. Northwestern varied 2 per cent., and closed at the lowest range of prices. St. Paul was off 2 per cent. from the last price of the day. Just before the close reports of important failures were circulated and created great distrust, although they were officially denied.
