## FINANCE AND COMMERCE.

**NEW YORK, July 1.—Money—Easy at 2 1/2%; closed offered 4.**  
Prime paper—@ 6 per cent.  
Sterling bills—Quiet at 4 1/2; demand 4 1/4.

**GOVERNMENTS—Strongly in demand.**  
Railways—Firm.

Stocks—Opened largely steady, soon declined 1/2% on the fear that some railroad companies would default on interest payments. When it became known that the Northern Pacific and other companies were meeting their interest charges promptly and that the Denver & Rio Grande was the only road of importance which had defaulted, a buoyant feeling prevailed. The fact that the Washburn receivers were paying interest on a larger number of bonds than expected, also had a favorable effect. Considerable stock was taken for long term reactions at intervals, but each decline brought in new buying orders. The market closed in strong buying with last night. The closing prices are 1/4-1/2 higher except New Jersey Central, which is lower.
