THE BEE PUBLISHING CO., PROP'S. H. ROSEWATER, Editor.

A Milwaukee firm is manufacturing an immense stock of imitation prayer-books for the shipment of whisky into the prohibitory state of Iowa.

The brewers of Iowa closed their bare yesterday, but will open them again today, and will continue brewing in defiance of the prohibitory law.

It is not always safe for a passenger in a Pullman car, when he loses his pocket-book, to accuse the porter of having stolen it.

The Chicago Times pertinently says that it might be in order for Mr. Charles Francis Adams, who has lately been made the president of the Union Pacific road, to inform the stockholders of that institution, whose money is building the Oregon short line, developing several frontier towns, and stocking the cattle ranches of some of the recent managers.

The city attorney of Springfield, Missouri, having been suspended from office by the mayor, threatens, unless the order is revoked, to institute proceedings for the purpose of ousting the mayor and three members of the city council from office for violating the state constitution by accepting free transportation from the railroad.

AND now comes another man and says he would not accept the democratic nomination. This time it is Charles A. Dana, who says that he has consistently declined all suggestions looking toward the effort to be nominated for the presidency, and that he is content to remain the editor of the Sun.

The committee on invalid pensions will, it is said, make a strong effort to secure the passage of the bill prepared and introduced by Congressman Laird, of Nebraska, among the pension laws, which bill has been reported favorably to the house.

THE BEER says that the valuation of Omaha for taxation purposes is only \$7,000,000, and that it has not been changed for years.

THE BEER has made no mistake in its statements regarding the assessments. We have from time to time stated that the assessment of Omaha for several years has been about \$7,000,000, and such is the undeniable fact.
