The "soft clinging thing" had not yet awoken from her slumbers when she reached the city hence was not seen. Strange to say she sleeps just as natural as anybody notwithstanding that she is the prettiest woman on earth, as some of the dramatic critics express it. PERSONAL. R. M. Dr. Thomas' Electric Oil will wear it will wear away all such sentimental tunes and repay its purchaser a hundred fold.

YESTERDAY'S GAME.

Chicago Again Defeated by a Score of 13 to 2. Yesterday was muffled day in base ball park. The fine exhibition of the national game on these grounds Saturday afternoon, degenerated seemingly into trying to make the most errors possible, in the game of yesterday afternoon. Batters would get their bases on called balls and cross the home plate on wild throws. Flies would be muffed with all the ease of amateurs and nothing seemed like a professional game except the fine work of a few individual players. The Chicago presented Crosby and De-pangher for their battery and for the home team Salisbury filled the box supported by Bandle behind the bat. The Chicago were allowed to score once in the second and once in the seventh innings. The Union Pacific filled their runs in to thirteen in eight innings. The fine features of the game was the batting of Hillery, a double play by Bandle and Rockwell and a long throw by Carroll from right field to third base, cutting off Hillery in his attempt to steal third. Salisbury as pitcher nearly redeemed his poor playing in Friday's game by his excellent work yesterday afternoon. The game was witnessed by about 400 people. Below is the score: UNION PACIFIC. Players: R. BH PO A E. McKelvy, 2d base, 2 0 1 1 1. Bandle, 3d base, 0 0 13 5 0. Dwyer, ss, 1 0 1 2 1. Whitney, 3d base, 1 1 1 0 0. Byrd, cf, 2 1 1 0 0. Carroll, rf, 2 1 0 0 0. The Williams Burglary Case Before Judge Neville--The Kreller-Henneke Case Disposed of Before Judge Wakely. In the district court yesterday morning before Judge Neville, after Cunningham and Simpson had pleaded guilty to the indictments brought against them by the grand jury, the case of the State vs. Williams, charged with the burglary of Ringer's store in the fore part of the winter, was taken up for trial. When this court adjourned the evidence had all been adduced and the attorneys had made their arguments to the jury. The judge did not give his instructions to the jury, as the attorneys for the defense desired to prepare such instructions as they wished the court to give. Before Judge Wakely, the case of Ames against Rowman, Cummings, et al, was called up on the application for the continuance of the temporary injunction granted herein when the suit was first instituted. This injunction, it will be remembered was granted to restrain the defendants from interfering with the folks, books, etc., the property of the plaintiff then in defendant Rowman's possession, under a contract to make for Ames an abstract of the real estate in Douglas county. The injunction was continued to await the result of the suit involving the title to property against interference with which the defendant was enjoined. The case of Kreller against Henneke was then taken up by the jury. This action was brought to recover the sum of \$3,000 alleged to have been sustained by the plaintiff from certain slanderous reports uttered by the defendant concerning Kreller. This case was tried at the last term of court before His Honor, Judge Neville, and verdict for the amount stated above was returned for plaintiff. A new trial was granted by the court and yesterday a verdict for the defendant was returned by the jury. The Voice of the People. The people, as a whole, seldom make mistakes, and the unanimous voice in praise which comes from those who have used Hood's Sarsaparilla fully justified the claims of the proprietors of this great medicine. Indeed, these very claims are based entirely on what the people say Hood's Sarsaparilla has done. Send to C. I. Hood & Co., Lowell, Mass., for book containing statements of many cures. Real Estate Transfers. The following transfers were filed for record in the county clerk's office July 5, and reported for the Bee by Ames' real estate agency. Samuel S. Beebe and wife to William F. Furay, w. d. lot 8, block 1, Shinn's 2d add, \$650. John G. Willis and wife to Michael Condy, w. d. lots 47 and 48, McEntee's add, \$450. S. D. Mercer and wife to Sidney Smith, w. d. lots 13, 14, 15 and 16, block 15, Walnut Hill, \$1870. Andrew J. Hanson and wife to Lucien J. Luning, w. d. lots 14, 15 and 16, block 15, Hanson place, \$1500. Geo. H. Boggs and wife to Joseph Kolar, w. d. lots 13 and 20 in Kensington, \$1200. A Burning Roof. At about 5 o'clock last evening an alarm of fire was sent in from box 6, corner of 20th and Mason streets. The department turned out and found the cause to be a burning roof on the residence of Pat. Lynch, corner of 22d and Pacific streets, the blaze being occasioned by a defective chimney. No water was turned on from the hose, but the roof was pulled off and the flames extinguished. The damage was about \$20. Smoke Seal of North Carolina Tobacco, co.
