

THE DAILY BEE.

Friday Morning, July 11.

LOCAL BREVITIES.

Members of Swedish Library association wishing to participate in a private picnic next Sunday are hereby requested to apply to S. J. Burdette, 1122 Farnam, immediately, for information.

The first two base ball games at the Sherman avenue park are, next Saturday, a match between the Athletics and Union, and next Sunday a match between the Athletics and the Sherman avenue nine. Each game will be called at 3:30 p. m.

Contest, the clerk for Winters, the grocer, who stole between \$300 and \$400 from his employer last spring, has been arrested by the authorities at Mankato, Minn., a day or two ago, and Deputy Sheriff Pionet left yesterday to bring him back.

Rev. H. I. Mitchell left yesterday for Nebraska City, where he will hold a quarterly meeting Saturday and Sunday. He will also visit B. O'Connell before returning, to organize the A. M. E. church, and to procure a site for said church in that place. Rev. John P. Roe will fill Rev. Mitchell's pulpit next Sunday evening at 8 p. m.

Yesterday three deserters from the regular army were brought to this city in irons. They will be tried by court martial at this place. When west of Grand Island one of the guards in charge of the prisoners was shot through the hand by the accidental discharge of his revolver. The wound was dressed by a physician, who was a passenger upon the train.

Drs. Hyde, Tilden and Peck appeared before Judge Neville yesterday and stated that they had called upon Champion S. Chase as ordered by the court, and stated that, in their judgment, he was unable to attend to his ordinary business affairs and hence is unable for trial at the present time. His trouble is principally nervous prostration, and they could not tell when he would be in a fit condition for trial.

In police court yesterday Owen Connelly was up for drunkenness. For four months past the prisoner had been strictly temperate and has worked faithfully at whatever he could find to do, but Tuesday night he fell, and yesterday morning he was in police court. On account of his good behavior the judge discharged him yesterday morning, but warned him that if he was there again he would be sent up to the county jail for thirty days on bread and water. This morning he came again and made a strong plea for liberty but the judge was fixed in his purpose and gave him the thirty days. A distributor of the peace was fined \$5 and costs, while another party charged with the same offense was discharged. A farmer was arrested and charged with being a suspicious person, and was discharged.

THE RACE TRACK.

Chapter The Third of the Summer Trotting Meeting.

A Marked Increase in the Attendance And no Falling Off in the Races.

The third day of the races of the summer meeting of the Omaha Driving Park association was the most successful one of the season and a great deal of interest was manifested by all in attendance.

The attendance was very good, far better than that of either of the preceding days, and it really looked as if races could be made a success in Omaha. Everything passed off pleasantly and smoothly and the sport was, as before, excellent.

When the horses were called in the 2:33 class, four starters, Cling, Black Tom, Pritchard and Nellie Grant came upon the track, Traps having been drawn. Pritchard drew the pole, Cling second, Nellie Grant third, and Black Tom fourth. Cling bothered a little in the scoring, but after the third trial the horses got away in excellent shape.

On the first turn Pritchard left his feet and was pulled up. He then went to pacing and was again pulled down, but refused to trot, having lost a shoe and too weight and was consequently distanced. Cling and Nellie Grant had a hard race and it was neck and neck most of the time, but the little man was too speedy for the bay gelding and he was repeatedly driven off his feet, but each time gained by his break and passed under the wire a half length in advance of Nellie Grant, but was set back to second place for running, and the heat was awarded to Nellie Grant, with Black Tom third. Time, 2:29 1/2.

In the special pacing class there were three starters, Charlie E., Winder and McFadden, Nellie Shaw having been drawn. Winder was pulling for the \$20 for first choice and the field sold for \$4. The drivers of the horses even taking the field against Winder as fast as offered. McFadden drew the pole, Charlie E. second and Winder third. After two trials they got away and on the first turn McFadden pushed to the front. Winder went into a bad break and dropped away back in the rear. He passed the half-mile post under a strong pull and it was as plain as the nose on a man's face that Connelly was not driving him to win, but on the contrary was trying to get him distanced and when McFadden passed under the wire a winner Winder scarcely passed the three-quarter pole. It was so evident that Winder, the favorite, was pulled that the judges decided to bring him inside the flag and when Connelly dismounted from the sulky, they put Ed. Holly in charge of Winder and ordered him to drive him the next heat.

There was a general kick among the buyers of the field but without avail; the horse was given third place. Connelly, the driver of Winder, made a grand kick and declared that the horse was driven to win, but it looked rather suspicious for him to complain because of his horse having been given a place in the race. Time, 2:28 1/2.

In the second heat in the 2:33 class, the horses got away on the second trial and Nellie Grant went to the front and Black Tom and Cling wrestled for second place and Cling passed under the wire in the lead but was set back to third place for running. Time, 2:31 1/2.

Before the second heat in the pacing race pools sold with Winder favorite for \$5 and the field for \$5. The horses got away together. McFadden broke on the first turn and dropped to third place. At the quarter pole Winder was lapping Charlie E. On the stretch the first half mile Winder went to pieces and dropped away back and acted badly all through the last half and was distanced notwithstanding the new driver. McFadden and Charlie E. had a hard fight and passed under the wire together and the heat was declared a dead heat. Time, 2:27 1/2.

There is no doubt that Winder could have won the race had he been right, but as Mr. Hancock said, "There was something wrong, and he could not pace fast enough to carry water to the others."

The third in the 2:33 class was without any special features. Nellie Grant went to the front at getting the word, and led the lead to the finish, winning the heat and race; Black Tom second and Cling third. Time, 2:33.

McFadden..... 1 1h 1 1
Black Tom..... 2 2
Cling..... 2 3 3
Pritchard..... dis.
Time, 2:29 1/2, 2:31 1/2, 2:33.

In the third heat for the side-wheelers, the two horses got away together and McFadden quickly went to the front and led the lead to the finish, with Charlie E. a good second. Time 2:27 1/2.

The fourth heat to the pacing race was a repetition of the third. The horses got the word the first time they came to the wire, and McFadden went to the front and stayed there, coming home an easy winner, with Charlie E. a good second. Time 2:31 1/2.

McFadden..... 1 1h 1 1
Charlie E..... 2 2
Winder..... 3 3
Time, 2:28 1/2, 2:27 1/2, 2:31 1/2.

To-day's races will be the most exciting day's sport ever seen on the Omaha track. Two special running races have been arranged with three starters in each. There will be one race a mile and repeat and one half mile and repeat. These two races will be in addition to the regular programme which has the following races: The 2:48 class and the free for all. TURNERS TO THE FRONT.

The Eighteenth Turners' Festival of the Missouri River District.

The eighteenth Turner festival of the Missouri valley will be held in this city on July 11, 12 and 13, and promises to be a grand affair. The delegations of the various towns along the Missouri river, including St. Joseph, Kansas City, Atchison, Leavenworth, Lawrence, etc., will arrive here Friday evening, when a grand banquet will be given them at Germania hall. By that time the principal streets will be decorated in festive form. Saturday morning at 9 o'clock the Turners together with the leading Israelites of Omaha, will form a grand procession moving through the principal streets, after which they will proceed to the U. P. base ball ground, where the grand athletic tournament will take place. Nobody should fail to be present on this occasion, where may be seen the best amateur performances ever witnessed in this state. One of the leading base ball clubs in the country will oppose our home nine after the tournament and undoubtedly one of the best day's sport will be witnessed on that day.

The athletic tournament will be continued the next day (Sunday) at Husack's park, and consists of running races, high and broad jumps, vaulting, spear throwing, putting the stone, etc. This will be one of the most interesting features of the tournament, and some of the best amateurs in this section of the country will compete for the honor of each event. Taking it all in all the Omaha Turners will spare neither time nor expense to make this coming Turn-fest one of the best conducted affairs in this city, as well as to so entertain their guests, who are coming in great numbers from the entire Missouri valley, that when they return to their respective homes they will always remember the eighteenth Turn-fest of the Missouri valley and the people of this city with a friendly feeling.

After allowing several bills the board adjourned to meet Saturday, July 26.

HUNG BY THE NECK.
Mrs. Henry Kuhl Hangs Herself by the Neck Until Death Ensues.

Yesterday a messenger brought the news to this city that a woman had suicided west of the city by hanging. Coroner Maul was notified and from the messenger procured the following information in regard to the affair:

The name of the suicided was Mrs. Henry Kuhl. She resided with her husband on a farm about nine miles west of this city in McAdelle precinct. For a number of years she has been in bad health and had grown dependent. Wednesday about sundown, a woman who resided with Mr. Kuhl and his wife, went to do the milking. Kuhl himself had not yet returned from the field. Mrs. Kuhl being left alone in the house prepared a piece of rope, went up into the garret and there hung herself by the neck. She had probably been hanging a half hour when her husband returned to the house and began to look for her. Not finding her he ascended the ladder into the garret and the horrible spectacle of his self-murdered wife, hanging by the neck met his gaze.

Coroner Maul, after hearing the messenger's story, left for the scene of the tragedy and will hold an inquest upon the remains.

Contant Brought Back.
Tom Pionet, deputy sheriff, returned yesterday from St. Paul, Minn., where he went with a requisition on Governor Hubbard, of that state, to be allowed to bring Contant, the embezzler, back to Omaha. Contant, since he fled from the city, has been wandering through Wisconsin and Minnesota, and a short time ago was arrested in Minneapolis on a charge of vagrancy. While in the city he was recognized by his old landlord, who, knowing he was wanted in Omaha for a crime committed here, notified the authorities, and Contant was held to await the arrival of a Douglas county official. On the way to Omaha Contant admitted his guilt to the officer and expressed a willingness to plead guilty.

DISTRICT COURT DOINGS.

Snell Found Not Guilty--Case of the State Against Elwood to Be Taken Up This Morning.

In the district court yesterday, before Judge Wakeley the case of Snell against Childs was on trial all day. This case involves about \$500 and is brought to recover that amount of damages alleged to have been sustained by plaintiff from the defendant having made an excavation in his lot in such a manner as to cause the overthrow of Ruff's building on a lot adjoining that of Childs.

Before Judge Neville the case of the state against Snell was resumed on the convening of court. D. G. Hull, attorney for defendant made the opening argument for the defense and was followed by J. C. Cowin, who made his usual eloquent appeal in behalf of his client. District Attorney Godwin then closed for the state in an argument of nearly an hour's length. At 5 p. m. the jury received its instructions from Judge Neville and retired to its room for deliberation.

In fifteen minutes the jury reported that it had agreed upon a verdict, but owing to the fact that the judge had gone home, was kept in waiting nearly an hour.

The verdict acquitted the defendant of the charge preferred against him, whereupon the court ordered the sheriff to release Snell from custody. The vote on the first ballot stood eight for acquittal, and four for conviction.

This morning Mr. Godwin will call up the case of the state against Elwood, charged with horse stealing. When this case is disposed of, that of Key, charged with the murder of Nugent, will follow.

BASE BALL NOTES.
Carroll Signs with the St. Pauls; Walsh, the Hock Island Short Stop to Become a Member of the Union Pacific.

Yesterday forenoon the Chicago reserves, consisting of eleven men and their manager, Mr. Clark, left Omaha for Chicago. They will play in that city four games in the coming week, two with the Evansvilles and two with the Rock Islands, after which they will disband. Santy, the second-baseman, will fill again his position as railroad clerk, and Carr, the centre-fielder, will probably again keep books on the board of trade. Lee, Depanpher, and Whitely will remain in Chicago as reserves for the National League team, while Jones, Kane and Graham will go with Manager Clark to Milwaukee, where he intends to keep a nine the rest of the season.

The rumor that has been circulated on the streets for a day or so past that Whitney, Bandle and Carroll would leave the Union Pacifics and sign with the St. Pauls for the remainder of the season, seems to have been partially well founded. They all had tempting offers from the manager of that nine, which the first two gentlemen refused, but Carroll could not resist the temptation of \$300 per month and left with the manager of the St. Pauls for his new diamond ball evening.

The loss of Mr. Carroll, who was the best right fielder ever in base ball park in this city, a splendid base runner, a more than average batter, and withal a gentleman, is a severe blow to the club, from which the club already has taken steps to recover. Walsh, the splendid short stop of the Rock Islands, has been secured and will be here to-morrow.

Dr. M. Crowley, Oelthorpe, Ga., writes under date of May 10th: "Mr. Naves, who has such a terrible cancer on his face is about well. My skin ointment has done him good and looks almost as well as it ever did, and I would like some of your 'company to see him.'"

Mr. W. H. Boutwell, of Gordonville, Va., writes, under date of May 18th: "My wife, under date of May 18th, 1881: 'I am much improved. The cancer is better; does not pain me at all. It is a wonder to all in the family.'"

Mr. James E. Ligon, of Michaux Ferry, Va., writes, under date of May 19th, 1881: "My general health is greatly improved; my general health is good, my appetite good and I feel decidedly better, and has begun to heal nicely. How can I ever repay you?"

Mr. J. S. Rhodes, of Mill River, N. C., writes, under date of May 19th, 1881: "My mother has been using Swift's Specific about two weeks, and is improving. The cancer is not so bad as it was, and is healing."

Mr. T. J. Teato, of Waco, Fla., writes under date of May 2, 1881: "Swift's Specific has cured a cancer on my face, and has almost entirely healed my eye. I can keep it up, have no doubt it will cure her."

It may not be out of place to state that Swift's Specific (S. S. S.) is entirely a vegetable preparation, and causes no cure cancer, forcing out the poison through the cancer. The public should be cautioned against imitations of our remedy, and beware of all potash and mercury mixtures used to get up to imitate us and sell their poisonous stuff on the reputation of our Specific. These potash mixtures not only do good in cancer treatment, but are also the cause of permanent blindness, and other blood and skin diseases and cancer treatment. The SWIFT SPECIFIC CO., Drawer 3, Atlantic City, N. J., and 1205 Chestnut street, Phila.

Correspondence of The Bee.

IRVINGTON, Neb, July 9.—Most of the people of this vicinity ratified the spirit of Fourth of July independence, by doing pretty much as they pleased; some gathering in family groups and resting in verdant lawns grazed out of full baskets, and others gathering in larger quantities, called themselves picnics. They all did what they expected to do; some solid visiting well packed together, and were happy and rose up and went home and felt that their country was safe.

A wedding of no small dimensions I learn, was celebrated west of here at Mr. H. Timmy's, the happy couple being his daughter and a young gentleman from Omaha. Some of the Omaha boys learn to know just where to find them.

Several parties from Massachusetts are sojourning with us here this summer. Mrs. E. Maxwell and Mrs. G. Adams are quietly reposing at the Valley house, kept by Mr. Geo. Knight and their husbands, who seem to be on the wing, now and then put in an appearance. They are all young and wholesome looking people. Then Mrs. J. L. Hibbard from North Brookfield Mass. has recently arrived and is visiting her sister Mrs. Deacon Knight, and all other relatives.

Mrs. M. E. Foster, from the same place is sojourning at the home of Mrs. H. S. Johnson; and by the way, the store of Mr. Johnson came near being burglarized one night last week, the adventurer entering through the collar but on coming near Mr. J. who was lodging in his store, was greeted with such an unearthly howl that there was no time for the use of the savage revolver lying near on the part of the guardian of dry goods and money boxes, before there was a hasty departure. As to this store burglars need not apply.

CLOSE UP.
A Move On Foot To Close The Stores This Afternoon.

A good many of the business men have signified their intention of closing their stores this afternoon and give their employees an opportunity to attend the races. This is a good idea, and should be adopted by every business man in this city. The races are the best, by far, ever offered to the citizens of Omaha, and it no more than just and right that the gentlemen having the matter in charge have spent a great deal of money for the amusement of our citizens, and it should be appreciated. Close up and go to the races.
