

THE DAILY BEE.

Saturday Morning, July 12.

LOCAL BREVITIES.

In the district court, before Judge Neville, yesterday, Contant, charged with embezzling money from Mr. Weimer's, pleaded guilty.

There is no doubt that the Athletic Tournament to-day, as well as the Turn-Fest in general, will be the greatest success of the season.

Forepugh's advertising car is in the city and is the center of attraction for the small boys, all of whom are anxious to get an opportunity to carry water to the sacred white elephant.

In police court yesterday Dan Callahan, the old offender, was up for drunkenness. The judge looked him squarely in the face and said, "fifteen days in the county jail on bread and water."

All societies taking part in the Turn-Fest parade this morning are requested to be at Germania Hall at 8:45 a. m. sharp. All Turner societies will be on hand at 8:30 a. m. sharp.

One of the bell boys at the Millard hotel Thursday evening undertook to take a friend to his room with him after 11 o'clock, contrary to the rules of the house. The night clerk protested and the bell boy insisted, whereupon the clerk forcibly ejected the parties from the house. The friend was arrested and the bell boy will be arrested to-day.

The Farnam street contractors desire all property-owners between Eighth and Twentieth streets on Farnam, to remove their stoves and stairways which are out in the street, that the work of grading may not in any way be impeded. This should be done at once so that the work can be done with all possible haste.

Frank Thompson was arrested last night for being a confidence man. Officer Donovan was standing upon the corner of Eleventh and Harney streets, dressed in citizens clothes and having upon his vest a grand army badge. The "con" man took him for a sucker and attempted to "work" him, whereupon Donovan arrested him and lodged him in jail.

Many of the business houses in the city are decked with both American and German flags, in honor of the meeting in this city of the Eighteenth Turner Festival of the Missouri valley. In front of M. H. Egerton's store is a large banner, upon which is painted the words, "To the Victor the Olive Wreath."

Thursday Miles Waybright broke a pane of glass in one of the windows in Black's saloon, corner of Thirtieth and Centre streets, from which he stole a bottle of wine and a box of cigars. He was so elated over his success that he sat right down upon a beer keg and proceeded to get gloriously drunk. After becoming thoroughly full he was discovered by a policeman and was taken to jail. Yesterday he was charged with larceny and his case was continued.

There was quite a laughable case in Judge Bencke's court yesterday afternoon. The colored man, Field, who was arrested the preceding day on a charge of larceny as he was brought into court for trial. He had no attorney, neither was there any attorney for the city, but Field marched in and deliberately asked for a jury trial. It staggered the judge, but he finally recovered and appointed Deputy-Marshal German as attorney for the defendant and by a stander as attorney for the state and the two prominent lawyers went at it to expand a jury from the crowd of spectators. The jury was finally completed and a jury, composed of three white men and three colored men, was empaneled. Court then adjourned and the case will be taken up this afternoon.

The Union Pacific officials left yesterday at 9:31 a. m. by a special train for a tour of inspection of the road. They will go on the O. & N. Y. road to St. Joseph and will then go to St. Joe. The party consisted of President Adams, Managing Director Amos, Oliver Ames, Mr. S. I. Calloway, Mr. Hugh Riddle, president of the Rock Island, Mr. Jacob Billewacker, chief engineer of the Union Pacific, Mr. T. L. Kimball, assistant general manager and Mr. P. J. Nichols, general superintendent. The train consisted of a baggage car, Mr. Kimball's private car and president's car. Mr. S. H. Clark, general manager of the road, will join the party to-day.

In the district court, before Judge Neville, yesterday, Mr. Smythe, attorney for Gasolo, charged with the murder of Zerga, filed a motion for a continuance of the case until the next term of the district court. He presented an affidavit signed by Gasolo stating that the only two witnesses who were present in the room at the time of the shooting, Lewis Hegezoanu and wife, have gone to Italy and will be absent several months. He further states that Zerga, on the night of the tragedy, abused him and advanced upon him with an open knife and attempted to stab him and that after repeatedly warning him to keep back he drew his revolver and shot after having backed into the corner of the room by Zerga. He says that the man and his wife now absent in Italy will testify that he did the shooting in self defense. John Cuneo, in whose house the shooting occurred and with whom the man and wife mentioned were stopping, corroborated the affidavit of Gasolo by a similar one, and upon the strength of these affidavits, Judge Neville granted the continuance.

Wei de Meyer. It is now undisputed that "Wie Die Meyer's" Catarrh Cure is the only treatment that will absolutely cure Catarrh—fresh or chronic. "Very efficacious, Balm Goid, Weeping Water, Neb." One box cured Mr. Mrs. Mary Kenyon, Bemis, Dakota. Mr. G. H. Hester, who had been afflicted with Catarrh for several years, cured by the use of Rev. George E. Hest, Belleville, N. Y. "One box radically cured me, Rev. G. H. Taylor, 140 Noble street, Brooklyn." "A perfect cure after 30 years suffering, J. D. McDonald, 710 Broadway, N. Y., etc. Dozens of testimonials are received from all parts of the world. Delivered, \$1.00. Dr. Wei De Meyer's "By Instrument" Preparation," with testimonials of the cure, mailed free. D. H. Dowsy & Co., 112 Fulton Street, N. Y.

Ladies should reflect before using any preparation that is applied to so delicate a surface as the skin. Any cosmetic will at first impart a beautifying effect and not apparently injure the skin, but in a very short time little blotches and discolorations appear on the face which conclusively show the poisonous nature of the composition. It can be safely said that more than two thirds of the face powder contain these injurious ingredients. P. Z. zoni's medicated complexion powder is not only absolutely free from all deleterious matter, but its principal ingredients are an active curative for all diseases of the skin. It has stood the test of years. Sold by all druggists.

Another Beatrice Hoy to the Front. It will be gratifying to the friends of Mr. Anson Hopy to learn that he has been appointed assistant cashier of the First National bank of Red Cloud. This is a well merited promotion and shows that the services of a faithful and efficient clerk are justly appreciated. Anson came to Beatrice as a young lad about nine years ago, and is a brother of Mrs. B. C. Smith, of this city. His first business experience was at Red Cloud, where he was employed as errand boy in the bank of Smith Bros. and has risen by gradual promotion until now he enjoys a position of responsibility and trust in the stron-

GUT HEIL.

The Omaha Turners Receive Their Visiting Brethren Last Evening.

A Fine Parade Through the Streets from the Depot to Germania Hall.

Last Evening's Entertainment.

Members of the Omaha Turner society met at Germania hall last evening at 7 o'clock, and formed in procession to march to the depot, where they were to meet their friends belonging to the associations of cities farther down the valley, on the incoming train. The procession was headed by the musical union orchestra of this city, which discoursed sweet strains of music on its way to the depot, and after it came the members of the Omaha society, one hundred strong.

The various visiting societies were welcomed at the train by the reception committee of the Omaha society consisting of J. I. Fruehauf, Ed. Maurer, H. Haubena, Chas. Metz, Louis Heimrod, John Sawner and Julius Nagl. The societies arriving on last evening's train were those of St. Joseph, Atchinson, Topeka, Marysville, Leavenworth and Kansas City. The society from St. Joe was accompanied by Pryors band of eighteen pieces, of that city, which is one of the finest musical companies in this valley. Those members arriving on last evening's train are only the active members of these societies, or those who take part in the entertainment and exercises. They will be followed to-day by the passive members who will be fully two hundred strong, and be accompanied by their ladies.

At the depot the several societies formed themselves into a procession headed by Pryor's band. Then came the St. Joseph society, immediately followed by those of Atchinson and Topeka. The Musical Union orchestra came next, the Turner's of Omaha completing the procession. This procession then moved up Tenth street to Douglas, up Douglas to Fifteenth to Farnam and up Farnam to the hall. From the depot to the hall the bands alternated in discoursing music through the streets. Both bands were finely uniformed and presented a most acceptable appearance in their march through the city.

Germania hall was tastefully arranged for the occasion, and no pains had been spared to make it look inviting and beautiful. In front and in the hall leading to the reception room, boughs of oak and maple were upon the walls. The main hall or reception room was brilliantly lighted, and most beautifully frescoed for the occasion. Leaning against the sides of the stage were the flags and banners of the different societies taking part in the festival.

The procession entered the hall and the different societies seated themselves around tables loaded in anticipation of their coming with all the delicacies that tickle a German palate. In one corner were two kegs of the nut brown beer and when their contents were exhausted other full ones took their place.

At half-past nine Philip Andrus, president of the Omaha Turners delivered the address of welcome to the visiting societies in behalf of his Omaha brethren. The speech was a very appropriate one for the occasion and was responded to with much applause by the visiting societies. The speaker concluded his remarks by mentioning Andrus, president of the Omaha Turners, as chairman of the evening.

Mr. Myer was unanimously elected and taking the stand made a few remarks upon the law of prohibition in his state, and stated he had lost his voice through its shameful effects. He then took his seat at the head of the center table and appointed Messrs. H. Haubena and Burmeister assistant chairmen to assist him in keeping order. Speeches and responses were then the order of the day. Mr. H. Haubena, of the English Lutheran school, the several chairmen and Mr. Smith, of the Stadt theatre, who made a strong speech against prohibition and finally labored it by drinking a glass of beer all made fitting and appropriate remarks.

The various societies then arose and sang, "Brothers let us join in recreation and joy." After several other short speeches by members, the Omaha Turners quartette took the stage and sang "O holy and frank makes life a comfort in this world," and at the finish was long and loudly cheered.

The various exercises of speech making, beer drinking and banqueting, called by the Germans, a Commers continued until a late hour when the different societies separated to meet at 9 o'clock this morning.

TO-DAY'S PROGRAMME. This morning the visiting Turners, leading societies of Omaha, the city council, will meet at Germania hall, form in procession and march through the principal streets of the city, as has been announced heretofore. In the afternoon the grand gymnastic tournament will take place in the Union Pacific base ball park, the principal attraction of which will be a match between the home team and a club from Mexico, Mo., claiming to be the best nine in that state outside of St. Louis.

In the evening, Julius F. Harthun will deliver the festival oration in Germania hall.

SUNDAY'S PROGRAMME. The gymnastic tournament on Sunday will be continued at Haecall's park, and prizes will be given in the following contests: Running high jump, running broad jump, putting the stone, pole vaulting, rope climbing, running races, spear throwing and tug of war. These prizes will be given by the young ladies of Omaha. The brass band of the Omaha musical union will be in attendance on the ground all day and furnish music for the occasion.

CONVINCING. The proof of the pudding is not in chewing the stick but in having an opportunity to taste the article. Schrotter & Becht, the Druggists, have a free trial bottle of Dr. Bozack's Catarrh Syrup for each and every one who is afflicted with Cough, Cold, Asthma, Consumption or any Lung Affection.

Another Beatrice Hoy to the Front. It will be gratifying to the friends of Mr. Anson Hopy to learn that he has been appointed assistant cashier of the First National bank of Red Cloud. This is a well merited promotion and shows that the services of a faithful and efficient clerk are justly appreciated. TROTTED TO THE FINISH.

Last Day of the Summer Meeting of the Omaha Driving Park Association.

Flattering Showing for the First Meeting--A Fine Week of Sport.

The Omaha Street Railway Again is Sold, and Bonded for \$300,000.

Yesterday the deed from W. W. Marsh and wife to Guy Barton, S. H. H. Clark and Frank Murphy, executed on the 11th day of February last, whereby a three-fifths interest in the street railway, was conveyed to these grantees for \$150,000, was filed in the county clerk's office. Accompanying their conveyance was another from Marsh, Clark and Barton, and their wives, and Frank Murphy to the Omaha Horse Railway company conveying all their interest in the franchise, the horses, cars, tracks, turntables to the grantee for the sum of \$503,300.

A third instrument, a deed of trust, also from the Horse Railway Company to Ben. Wood, as trustee, was also filed. This conveyance sets forth that it is made for the purpose of raising \$300,000, and that a bond of \$1,000 each, due in 1904, have been issued thereon.

By inquiry it was learned that a great part of this last amount is raised for the purpose of building and extending the lines of the company throughout the various portions of the city.

What We Can Cure, Let's not Endure. If we can cure an ache, or a sprain, or a pain, or a lameness, or a burn, or a bruise, or a bite, by using Thomas' Electric Oil, let's do it. Thomas' Electric Oil is known to be good. Let's try it.

A NEW GRAND JURY. Yesterday forenoon District Attorney Godwin made an informal application to the court for a new grand jury, which was granted. This is deemed necessary by the state in view of the several felonies committed since the adjournment of the last one. Two burglars caught in the act of robbing houses are now in jail, where they will languish until next October unless disposed of by this term of court. It is also said the indictment against Henry, charged with murder in the first degree is also defective and that certain others will also be reindicted. Sheriff Miller was busy yesterday afternoon executing the order of the court to summon a new jury, and has the venire headed with the name of Charles H. Dawey.

PERSONAL. Emil Schaffer, of Grand Island, is at the Metropolitan.

Ed. S. Noble of Blair, is registered at the Metropolitan.

J. M. McCabe of Rock Island, is at the Metropolitan.

T. F. Hamlin of Ottawa, Kansas, is at the Metropolitan.

J. B. Reynolds of Terra Haute, Ind., is at the Metropolitan.

J. A. Grow of Wyoming, is the guest of the Metropolitan.

Chas. S. Stevens of Pueblo, Col., is enjoining at the Metropolitan.

H. Hinkson, of West Point, is stopping at the Metropolitan.

M. H. Stafford and wife of Des Moines, are stopping at the Metropolitan.

P. H. Davis and wife of Chicago, are the guests of the Metropolitan.

Mr. John Hansen, a tailor in the employ of G. A. Lindquist, is the happy father of a thirteen pound boy who made his appearance this last. Being the first he was unusually welcome.

Horsford's Acid Phosphate. Advantageous in Dyspepsia. Dr. G. V. Dorsney, Piqua, Ohio, says: "I have used it in dyspepsia with very marked benefit. If there is deficiency of acid in the stomach, nothing affords more relief, while the action on the nervous system is decidedly beneficial."

Reckless Drivers. About half past eight o'clock last evening quite a serious accident occurred at the corner of Thirteenth and Douglas streets. Mr. E. B. Chapman and his niece were driving west on Douglas street in a buggy, when their vehicle was run into by a road wagon, coming from the opposite direction and occupied by two drunken men. The horse driven by the drunken man was going at a high rate of speed when the vehicles collided. Mr. Chapman's buggy was badly demoralized and himself and companion were thrown to the ground. The lady was injured about the head and lost a gold breast pin. Mr. Chapman was also slightly injured and lost a gold chain. The two drunken men are supposed to be Graham Hardy and J. Swanson, the latter being thrown out and somewhat cut about the head. No arrests were made, while both fellows should have been lodged in jail and subjected to a heavy fine.

Mr. George Dodge Speaks. This gentleman lives in Emporium, Pa., and says, "One of my men, Sam Lewis, Schmitz, aged 9 months, had a cough so bad that he could hardly breathe to the house. Used Thomas' Electric Oil and was ready for work the next morning. I have never yet seen so good a medicine."

DIED. SHULTZ--In this city, July 10, at 2 p. m., Annie, daughter of Mr. and Mrs. C. D. Schultz, aged 9 months.

Funeral will take place to-day, July 12, at 10 a. m., from the residence, 213 North Twelfth street. Friends of the family invited.

Sowing Wild Oats. How many waste their time and resources in foolish experiments, with costly worthless medicines that can never do them a whit of good. If you are sick and want help get a reputable remedy of established merit. The curative virtues of Anson's Blood Purifier have never been questioned. TROTTED TO THE FINISH.

Last Day of the Summer Meeting of the Omaha Driving Park Association.

Flattering Showing for the First Meeting--A Fine Week of Sport.

The Omaha Street Railway Again is Sold, and Bonded for \$300,000.

Yesterday closed the first meeting of the Omaha Driving Park association, and the society cannot help but congratulate itself upon the successful termination of the races.

It has been a meeting of pleasure throughout. The weather during the entire meeting, barring the first day, which was fearfully hot, has been all that could be desired, and the track was in the best of condition. The attendance during the races was fairly good, though not what it should have been by any means.

The members of the association may well congratulate themselves upon this, their first meeting. They have lost some money, doubtless, but they did not expect to make the first meeting a financial success; hence are not in the least discouraged; on the contrary, are highly elated that the meeting "panned out" as well as it did.

This meeting should be a sufficient guarantee to the citizens of Omaha that when the Omaha Driving Park association advertise a meeting, it can be taken for granted that the races will be on the square and no foolishness. One thing which has characterized the meeting which has just closed is the fact that at the best horse has been made to win his race, and that is all anybody could ask for.

The crowd yesterday was much larger than on any of the preceding days and were treated to some good races.

In the 2:48 class there were three starters, Theodore, Rex and John I. The horses were called promptly at 2 o'clock. Theodore drew the pole, John I. second place, and Rex third. The horses got away on the second attempt, with John I. slightly in the rear. Theodore kept the lead to the second turn when he left his feet letting Rex to the front. In this manner they trotted to the finish with John I. a bad third. Time, 2:36.

The interest of the day centered in the free-for-all race, in which there were four starters, Harry Vexol, with a record of 2:24; Flora P., with a record of 2:24; Big Soap, with a record of 2:23; and Will Cody, with a record of 2:19.

Handicap, Joe Davies, Don and Long-fellow were the first to start. Will Cody drew the pole, Harry Vexol second, Flora P. third, and Big Soap fourth. On the second trial the horse were sent off with Big Soap at his feet. On the first turn Will Cody went all to pieces and dropped back behind. From this on the heat was without special features and the horses passed on the first turn and dropped back behind. Harry Vexol first, Flora P. second, Big Soap third, and Will Cody fourth. Time, 2:26.

In the second heat in the 2:48 class, the horses got away on the first attempt. Rex went the front and baffled all attempts of Theodore to head him. John I. drew the wire and followed Rex. All horses trotted squarely. They passed under the wire in the following order: Rex first, Theodore a good second and John I. third. Time, 2:38.

In the second heat of the free-for-all race the horses got the word the second time they came down. Big Soap went up on the first turn and dropped back behind the group. Will Cody and Flora P. were both stopping Harry Vexol on the back stretch. Cody was pushing hard for the first place when he left his feet and went into a bad break. This lost him the heat for the time he was level there was a gap of a dozen open lengths between him and the foremost horse. From this on the heat was an easy one for Vexol who jogged under the wire winner, Flora P. second, Big Soap third and Will Cody fourth. Time, 2:28.

The third heat in the 2:48 class was a pretty race between Rex and Theodore. The horses got away together but John I. broke on the first turn and dropped away back behind the other horses and lost steadily. On the back stretch of the second half mile John I. was far enough back to get the flag, but his driver broke him up and ran him in to save his distance, but this the judges would not allow and distanced him for running. Rex won the heat with John I. second. Time, 2:31.

In the third heat in the free-for-all class the horses were sent away with Vexol under a break. Flora P. went up on the first turn and dropped back to the fourth place. Will Cody shot to the front and led the field to the half-mile post, where he led to the front and second turn on the second half mile Vexol headed him and trotted to the finish an easy winner. Will Cody had completely quit the race and had lost his hat. In the half mile and repeat, running race, there were three starters, Littlefellow, Duke Connaught and Corolla. Corolla drew the pole, Duke of Connaught second place, and Littlefellow outside.

Mr. Hancock announced before starting that one of the heats must be run in 51 seconds or better.

The horses were sent away at the first attempt at the top of the drum. The Duke of Connaught shot to the front and kept the lead to the finish. Littlefellow and Corolla had it neck and neck on the back stretch but as they headed into the home stretch, Littlefellow passed the mare and beat her home by a half length. Time, 49 seconds.

At the conclusion of the first heat in the half mile race, the clouds began to look threatening, and many of the people in carriages turned their horses homeward.

Twenty minutes time elapsed between the first and second heats of the half mile running race, when the horses were ready to start again. After getting away the Duke of Connaught went to the front and kept the lead to the finish. Littlefellow and Corolla third. Time, 51.

In the running race, mile and repeat, there were only two starters, Littlefel-

low and Bright Light, Gen. Warren having been drawn. Littlefellow won both heats in this race handily.

SUMMARY. 2:48 CLASS--TROTTING. Rex 1 1 1, John I. 2 2 2, Time 2:36, 2:38, 2:38. FREE FOR ALL--TROTTING. Harry Vexol 1 1 1, Flora P. 2 2 2, Bill Cody 3 3 3, Time 2:26, 2:28, 2:28. HALF MILE AND REPEAT--RUNNING. Duke of Connaught 1 1 1, Littlefellow 2 2 2, Corolla 3 3 3, Time 49, 51.

THE TURNERS.

A Number of Them Have Already Arrived in the City.

A number of the visiting Turners arrived in this city yesterday and were escorted by the committee, appointed for that purpose, to their hotel. Last evening a banquet and reception of members took place at Germania hall. A grand parade will be given at 9 o'clock this morning, and open-air exercises at 1 o'clock on the base ball park, followed by a ball game as on the programme for the afternoon.

The line of march for the parade this morning is the following: From Germania hall, Nineteenth and Harney, to Farnam, down Farnam to Thirtieth, down Thirtieth to Jones, down Jones to Tenth, up Tenth to Douglas, up Douglas to Sixteenth, up Sixteenth to Jefferson square, countermarch on Sixteenth to Dodge, march down Dodge to Fifteenth, down Fifteenth to Farnam and back to the hall.

From 900 to 400 active and passive Turners and their friends are expected and most of those outside of the active members will come on excursion trains to-day and stay over Sunday, taking in the ball and the picnic Sunday.

THE SOCIETIES TAKING PART. City marshal and squad of police. Concordia singing society. Maennerchor. Swin. Delegations from the fire companies. Bohemian turner society "Jednota Sokol."

Turner societies from St. Joseph, Atchinson, Kan., Leavenworth, Topeka, Lawrence, Emporia, Marysville, Yankton Dak., Omaha, Neb.

The musical union band, and Pryor's band from St. Joseph will furnish the music for the parade.

SALOON SLUGGERS.

Jack Quinlan and His Partners Attempt to Clean Out a Saloon.

Last night about 11 o'clock the notorious Jack Quinlan, with Tom Leonard and several other of his pals, went into McClelland's saloon, on the northwest corner of Eleventh and Harney, for the purpose of whipping a Council Bluffs man named Shields. A general row ensued in the bar-room--pistols, beer glasses, and pop bottles being used indiscriminately. The police at length came in and put an end to the melee.

Several were found to have been wounded but none seriously. A young man named Poland who was taking no part in the affray but was standing in the door at the time, his foot impaled upon a fragment of a beer bottle; a carpenter named John Ward received a flesh wound in the forearm from a pistol ball, and Leonard was found to have received several lacerations about the head and face. The proprietors and Tom Leonard were taken to jail. The McClellands were afterwards released on bail.

ROYAL BAKING POWDER Absolutely Pure.

This powder never varies. A marvel of purity, strength and wholesomeness. No adulteration. It is the only family flour. Sold in all cities.

Specialties will positively not be inserted unless paid in advance.

TO LOAN--Money.

MONEY TO LOAN on Real Estate by Bailor Bros., 217 1/2 North 13th St.

MONEY TO LOAN--A five room cottage, cor. Sheridan street and Poppleton avenue, \$10.00 per month. Barker & Mayne.
