POLICE COURT.

The First Session of Police Court Under the New Regulations.

The first session of police court under the new regulations was held yesterday.

There was a large crowd of spectators outside to witness the show, while the prisoners' seats were nearly all taken.

Mitchell, a cripple who has a new name for every day in the week, was arrested for drunkenness. He has been before the court several times and the complaint was changed to vagrancy and he was sentenced to ten days in the county jail.

Chauncy Whitting and Ellen Whitting man and wife, were arrested for drunkenness. They pleaded not guilty but the officers and witnesses were on hand and a trial was had then and there. The prisoners were found guilty and the man was fined \$10 and costs and the woman \$5 and costs. In default of payment they were both sent to jail.

Ellen Smith was up for drunkenness. Ellen is a working woman but she will indulge in beer and always get an overdose. It was her third appearance in police court in a few weeks. She was fined \$5 and costs and sent to jail in default of payment.

Michael Troy was arrested for breaking down a door, but upon paying the damage the party making complaint withdrew the name and Michael was released.

John Ashland was arrested at the instance of one Davis who keeps a junk shop near the depot. His case was continued.

Three boys were up for sleeping in barn. The older said his name was Henry King, he lived in Oakland, Cal., and his age was 16. The next was Thomas Kastner, of St. Joe, aged 14, and the third was William Murphy, of St. Louis, aged 13. They stated they were bootleggers and always asked permission to sleep in barns before entering them. The judge looked in compassion upon the man, and asked them if they had any money. They answered no. The judge went down and handed them a quarter, saying: "Take this, be honest, don't get to stealing, if you go into anybody's barn ask them if you can, be sober and industrious and make men of yourselves." The boys took the money and left as happy as claus.

All officers making arrests during the night were on hand to testify, and it was business from the start.

MR. POTTER DECLINES.

The Diocese of Nebraska Still Without a Bishop--A Letter from the President Potter.

Dr. Eliphalet N. Potter, of New York, has written the following letter to the Diocese of Nebraska, declining the office of bishop of Nebraska. Just previous to his election here Dr. Potter was called to the presidency of Hobart college, at Geneva, N. Y., to accept which he was forced to resign the presidency of Union college, and for this and other reasons he pens the following letter:

HOBART COLLEGE, GENEVA, N. Y., July 9th.

DEAR BROTHERS: Your communication informing me that I had been unanimously elected to the office of bishop of Nebraska, was so unexpected and so impressive that it has all involved me profoundly. It was no small honor that you should have thought of me at all in connection with your vacant diocese. It

PEACEFUL PROHIBITION.

A Marshaltown Woman Defies the Law and the Sheriff--She Sells Beer, is Arrested, Bailed Out, and Sells Beer Again.

MARSHALSTOWN, July 15.—A woman who kept a saloon here before the prohibitory law went into effect began selling beer again Saturday. The temperance people caught her arrested yesterday. She gave bonds and continued to sell.

The sheriff attempted to arrest her today, when she drew a revolver and defied him. He procured assistance and after a turbulent scene, in which a mob came to the woman's aid, she was triumphantly carried to jail. The crowd surrounded the jail and threatened to tear it down, when she was released. She was triumphantly carried to jail. Her action is at the instance of the Marshall brewery, which proposes to make a test case.

DEMOCRATS REJOINING.

BURLINGTON'S BLOW-OUT.

BURLINGTON, Iowa, July 15.—A grand ratification meeting over Cleveland and Hendricks' nomination is in progress tonight, which is one of the largest political demonstrations ever held in Burlington. A salute of thirty-eight guns were fired. The crowd now gathered at the corner of Jefferson and Third streets is variously estimated at three to four thousand. Hon. M. V. Gammon, of Davenport, the orator of the evening, made an address, in which he claimed that the Irish would vote the republican ticket, was held up to deserved ridicule amid the plaudits of the multitude. Hon. R. J. Hall, Hon. W. R. Culbertson, C. J. Dodge and others made stirring speeches. The Cleveland ticket gives unbounded satisfaction here, and many republicans express their purpose to vote for Cleveland and Hendricks.

AT DEBUREAU.

DEBUREAU, July 15.—The democrat had a large and enthusiastic ratification meeting of Cleveland and Hendricks to-night at the opera house, which was packed full. The meeting was addressed by local speakers and by Colonel John R. Folwell, of New York, who is here from the Chicago convention visiting relatives. He spoke eloquently for an hour and a half, describing Cleveland's life and struggles, and the issues of the campaign, and predicted Cleveland's majority in New York would be 100,000. This opens the campaign in Debureau with enthusiasm for Cleveland. There were many republicans at the meeting.

OHIO.

DEMOCRATS ARRANGING FOR THE CAMPAIGN.

COLUMBUS, July 15.—The democratic state executive committee this afternoon was in session, with all except four members present, either in person or by proxy. The time of the session was spent in the discussion of plans of operation of the campaign, and it was decided to begin wide scale canvassing of the state if possible in both October and November. Among the matters considered was the raising of funds. It was resolved to locate the headquarters within the next ten days. Proposals will be received for location of the officers and committee, and proposals will be forwarded to Daniel McConville, Columbus. The committee adjourned to July 24th, when the proposals will be opened and headquarters located.

CHRONIC DISEASES

YOUNG MEN, who are suffering from the effects of youthful indiscretions, would do well to avail themselves of this, the greatest boon ever laid at the altar of suffering humanity. Dr. Tanner will guarantee to forfeit \$20 for every case of Seminal Weakness or Private Disease of any kind or character, which he undertakes not to cure.

MIDDLE AGED MEN—Many men between the ages of 30 and 50, are troubled with a too frequent desire to evacuate the bladder, often accompanied by a slight swelling and burning sensation, and a weakening of the system, in a manner that the patient cannot account for. On examining the urinary deposits a sandy sediment will often be found, and sometimes small particles of albumen will appear, or the color will be of a thin, milish hue, again changing to a dark and turbid appearance. These are many men who die of this difficulty, ignorant of the cause. It is the second stage of seminal weakness. Dr. Tanner will guarantee a correct cure in all such cases, and a healthy restoration of the genital urinary organs. Call or address as above, Dr. Tanner.
