THE WORK BEGUN. The Articles of Incorporation for the Omaha Pottery Company Filed.

Machinery Purchased, Graders at Work and Everything Rushing.

The articles of incorporation for the Omaha Pottery company as prepared by Judge Savage, were filed in the office of the county clerk last evening.

The document is signed by J. T. Evans, land refiner, W. J. Higginbottom, S. J. Howe, George Prescott, C. R. Schaller, Robert Harris and J. W. Savage as incorporators.

The capital stock is placed at \$100,000, with power to increase the same to \$300,000, in shares of \$100 each.

Thirty per cent of the stock has already been paid in and the balance is subject to call.

Dr. Smith has surveyed the property, and the graders are now at work.

The land in question is located on the east side of the city boundary, and was some time ago, prior to their removal to Council Bluffs, occupied by the old Union Stock Yards.

An inexhaustible supply of the finest clay for the manufacture of red brick and terra cotta has been found on this land, and sufficient brick will be made during the present season to erect a kiln holding 100,000 brick, and also two ovens and hovers each sixteen feet in diameter, an engine, boiler, chimney stack and the necessary workshops for the manufactory.

The company intends to manufacture terra cotta and pottery, the finest class of architectural bricks to any design that can be furnished; and white or "Mil-

waukee" cream color brick and tiles of every description for lavatories, larders, slaughter houses, cooking kitchens, the lining of baths, and all other purposes where absolute cleanliness is required.

Horticultural pottery is all its branches will also form one of the principal industries of the works, Mr. Higginbottom being in communication with Staffordshire men, who are coming out here for the handling of this special business.

Machinery has already been purchased to manufacture a sufficient amount of brick to build what houses may be needed by the company, the erection of steamboilers, engine seating, etc. A fifty horse-power engine has been purchased and will be placed in position as soon as possible.

The men having the thing in charge are active and energetic and will push the work with all possible rapidity.

Mr. Higginbottom will act as manager and Mr. Schaller as secretary.

The fact of their being sufficient clay of this kind in this locality for the manufacture of pottery was never thought of until suggested by THE BEE, but when one looks at the vast amount of sewer pipes, brick, tile and crockery used in this city alone, the importance of such a manufactory can readily be seen.

POLICE POINTERS.

Neil Austin up for Robbery and William Shik Held to Keep the Peace.

In police court Thursday afternoon, Al. Dillon, who was arrested for fighting with Caddie Butts, was fined \$10 and costs and sentenced to fifteen days in the county jail on bread and water.

J. H. Winspear filed a complaint against Joe Rose, charging him with disturbing the peace. The case was continued for twenty days upon the defendant making affidavit that he could not safely proceed to trial without evidence which could not be procured before the expiration of that time.

George Patrick, (colored) filed a complaint against Harry H. Jones, (colored) for disturbing the peace. The case was continued until to-morrow morning.

Yesterday William Barrett was fined \$5 and costs for being intoxicated. He was sent up to board it out.

Engelhard Hatzcock, an old man with a peculiar limp, was charged with being a vagrant. He said he wanted to get over into Iowa, and the judge sent an officer with him to see that he made the journey safely.

Wm. Shik was up for trial for attempting to beat Mrs. Augusta Wright, his landlady, out of board money and for making threats of personal violence to her person and attempting to burn her house. After examining several witnesses the Judge held Shik in the sum of \$300 to keep the peace.

A FLOURISHING TOWN. And one that does a large local trade.

HERMAN, Neb., July 16, 1884. The village of Herman is located on the C., St. P., M. & O. R. R. near the line between the counties of Washington and Bert, about seven miles west of the Missouri river, and near the center of the richest and finest farming country in the state, and many who have traveled much say it is the best in the United States beyond a doubt.

It is a small village of only 300 inhabitants, being far behind the growth of the country for the surrounding country is thickly settled, and with many very wealthy farmers, and I am much surprised to learn that more grain and live stock is shipped from this point than any other on this line of the railroad between Omaha and Sioux City—that as high as \$10,000 has been checked here in a single day on the basis of Tekamah and Blair—that three grain elevators—one large lumber yard—one coal yard—twenty business houses in the town, and the town without a bank. I do not think another place exists in the state where as large returns of profit can be realized from the amount of capital invested as can be realized at this place. Land is entering in value rapidly and many fine dwellings

houses are being built throughout the country but the village is not doing so well. It is greatly in need of a man of means and enterprise to make it grow and keep pace with the country.

More anon, A. BOOWALTER.

Put Upon His Feet. "Set up in bed and coughed till the clothing was wet with perspiration. My wife insisted that I use Thomas' Electric Oil. The first dose spoonful relieved me, and two bottles have cured me. I can honestly recommend it." E. H. Perkins, Creek Centre, N. Y.

Conking and Blaine. Central City, (Neb.), Courier.

The Omaha Republican is authorized by the statement that Roscoe Conking is to take the field actively for Blaine, and that his trip to Europe is for the purpose of recuperating for the work.

We are of the opinion that the Republican is mistaken. There has just come under Conking to Judge Lincoln of this place, informing him that Mr. Conking is "out of politics" this year, and will devote his attention exclusively to business.

"Home Sweet Home." This song is very good in its way, but as there are any sickness in the household, no home cannot always be pleasant. We take special pleasure in recommending Burdock Blood Bitters as a safe and certain cure for dyspepsia, and all diseases of the liver and kidneys.

Switched to Satan. WAYNESBORO, Pa.—Sam Williams (colored) was hanged here at noon, for the murder of Clem. Bush, also colored, Oct. 20th. The execution was private and took place in the jail-yard. The crowd outside of three hundred colored people, were very orderly.

The former killed Burrell Bist, colored, at Refuge, Oct. 6th, 1883, and the latter killed Richard Barrett, colored, on Deer Creek, May 11th, 1881. Both confessed their guilt.

The Hocking Valley Strike. COLUMBUS, Ohio, July 18.—There is no change reported in the situation of the strike in Hocking Valley. At Straitsville twenty-five of Pinkerton's force have been placed on trial for usurping the authority of the local constabulary. Arguments closed at 10 o'clock this morning.

Cleveland on a Junket. FOUQUERHIS, N. Y., July 18.—Gov. Cleveland and staff visited the state camp to-day and received with a salute of 21 guns. At Gen. Ayler's quarters the governor gave a reception to crowds of visitors.

Buried in a Well. RALEIGH, N. C., July 18.—A well being dug at the factory of Duke & Sons, of Durham, caved in to-day, burying seven men. Three were taken out, one badly injured. Four remain in the well dead. One was heard begging for succor, saying the water had been to his neck and he was about to drown. Duke paid five dollars an hour for men to dig.

They Didn't Wrestle. CHICAGO, July 18.—The wrestling match between William Muldoon and Malta Sorahiki, the "Jap" did not occur, owing to the failure to agree on a referee. It will probably take place next Friday night. The "Jap" has been matched to wrestle Theodore George at Peoria.

A Friend Sent to Eternity. ATLANTA, July 18.—In West Point, Sam Gibson, colored, greatly distressed his own daughter and was jailed last night. A party of colored men broke in the jail to lynch the prisoner. He resisted, cutting six of them severely. The lynch mob shot him dead.
