FINANCE AND COMMERCE.

FINANCIAL

NEW YORK, August 8.—Money—Easy; 1½@2; closed 1½.

Prime Mercantile paper—5½@6½.

Sterling bills.—Firm; 4 82½; demand 4 84½.

Governments—Firm.

Railways—Strong.

Stocks—Opened heavy and lower on reports of selling for foreign account. The decline ranged ½ to 3½. New York Central, Lake Shore, Michigan Central and Union Pacific led the downward movement. The weakness in the market was due to free sales for short account, the bears inclining to the belief that the upward movement had spent its force. The bulls have encouraged this belief, and have worked to secure a large short interest. Having been successful in this, they turned the market this afternoon. The shorts became alarmed at the sharp change, and made an effort to cover. Offerings, however, were light, and they succeeded in acquiring but little stock. On the way up the improvement from the lowest point of the day ranged ½ to 1⅛. The market closed steady at or near the outside.
