FINANCE AND COMMERCE.**FINANCIAL**

NEW YORK, August 13.—Money—Easy; 1@ closed at 1.

Prime Mercantile paper—5@4@5.

Sterling bills—Steady; 4 82@; demand 4 84.

Governments—Firmer.

Railways—Higher.

Stocks—Quiet, but dealings were characterized by great strength. There was almost a steady advance in prices from the opening until the close, except shortly after the first call, and again near 1 o'clock, when the upward movement received a slight check from sales to realize. The advance ranged 3 to 3. It was based on uniformly favorable advices from the wheat and corn growing districts, purchased by the Vanderbilt party, the arrival of gold from Europe, and semi-official advices that Union Pacific earnings were improving.

In case of the latter it was said the company's cash receipts were constantly increasing. The announcement that the Western Union earnings the past week had increased very considerably, also, had a good effect upon prices. Prominent in the rise were New York Central, Lake Shore, Western Union, Union Pacific, Northwestern, St. Paul, Luckawana & Pacific Mail. The market closed strong at the best figures of the day.
