FINANCIAL

NEW YORK, August 13.—Money—Easy; 1½; closed at 1.

Prime Mercantile paper—5½@6½.

Sterling bills.—Steady; 4 82½; demand 4 84.

Governments—Firmer.

Railways—Generally strong, closed easier.

Stocks were buoyant during the early hours and was at an advance of ½ to 2½; some round amounts of grangers. New York Central, Lake Shore, Western Union and Union Pacific were taken for long account. After 1 p. m., Louisville & Nashville broke at 2½ to 33, and it was rumored in the room that Wall street bank made a loan on stock as collateral and had called the loan, and as borrowers did not take it up the bank sold the stock on the open market subsequently. New York Central was raided on the rumors that the directors would meet to-morrow and authorize an issue of from 10 to 20 millions of 5 per cent debenture bonds. This extended an unfavorable influence on the other stocks, and prices declined ½ to 2½ per cent, but near the close there was a recovery of ½ to ½ per cent, and the market left off steady. The rally was due to the statements by the leading directors of the New York Central to the effect that the company would not issue the the debenture bonds, and that no meeting of the directors would be held to-morrow nor had any notice been sent to the directors of any meeting. They admitted however, that a conference of the Vanderbilt party were to be held at Saratoga to-morrow. Compared with last night, closing prices are ½ to 2½ higher for the Canada Southern, Canadian Pacific and Quincy, Kansas & Texas, Erie, Northern Pacific, Union Pacific, and ½ to 1½ lower for Rock Island, Louisville & Nashville, Lackawanna, Denver & Rio Grande, Missouri Pacific, New York Central Pacific mail, Texas Pacific and Wabash unchanged.
