FINANCE AND COMMERCE.

FINANCIAL.

NEW YORK, August 21.—Money—Easy; 1½@2; closed 1½@2.

Prime Mercantile paper—5½@6½.

Sterling bills.—Firmer; 4 82½; demand 4 84½.

Governments—Firm.

Railways—Strong.

Stocks—Opened lower on reports of passenger rates between Chicago and New York being cut. The decline ranged from ¼ to 1. In a comparatively short time there was a marked change for the better in the temper of speculation, brought about by the renewal of the upward movement in Union Pacific, on announcement that the extension of the Oregon Railroad and Navigation company's road was completed to Baker City, or within forty miles of the junction with the Oregon short line, and also that negotiations were progressing in Amsterdam for the sale of some of the surplus bonds included in the assets of the company. It is claimed that if these negotiations are concluded the floating debt will be liquidated and the company placed in a position to resume dividends. In the afternoon the market was lower, except for Union Pacific and Western Union, which continued strong and in demand. After 2:30 the entire list rose in sympathy, but in final dealings there was a slight reaction. Compared with last night, closing prices are ¼ to 1½ higher, except Northwestern, Louisville and Nashville, Lake Shore and New York Central, which are ¼ to ½ lower.
