An expressman named Lee was yesterday fined $9.10 for contempt of court in not appearing as a witness in the Allen-Lewis assault case.

Mr. Jerman, the poll tax collector, has tired of duning delinquents, and is now collecting by suit. A number of prominent citizens are being thus sued.

The Ladies' Harmony Mission Prayer-meeting will be held this evening at the residence of Mr. Moomaw, on Benton street, one block from Harmony.

The aldermen are to make a personal inspection of Indian creek to-day. Less talk, less inspection and more improvement, is what those who suffer from overflows demand.

Leave to marry was yesterday granted to J. P. Doyle, of Cass county, and Mary Lewis, of this city, also to Simon Harris, of Carroll, and Martha M. Rinehart, of Gutherie.

Yesterday afternoon there was a lively little row between two women, wives of two horsetraders, who were located near the corner of Avenue A and Eigth street. Both were arrested. Jealousy is said to have inspired the row.

The United States court adjourned yesterday noon. Little of general public interest was done, and only a few criminal cases were disposed of, they being for the violation of the revenue laws, and the fines imposed were small.

J. W. Damon has commenced suit against the city, claiming $1,500 damage because the city has changed the grade of Bancroft street, abutting his property, raising the street four feet above the original grade on which he built.

Conrad Geise's artesian well has been sunk to a depth of 1,114 feet, and now has a flow of eighty gallons per minute of excellent water. The machinery has been taken out to the institution for the deaf and dumb, where a well is to be sunk.

Arrangements are made for a grand formal opening of the roller skating rink Thursday evening October 9th. The proprietor, Mr. Martens, has secured as the manager this season Mr. A. F. Schenk, who comes here from Illinois and who has had considerable experience in the business. Several attractive features are being arranged for the opening.

L. F. Bockhoff, the Main street cigar manufacturer, has caught a very large and curious looking spider, which he has preserved in alcohol, and which attracts much comment from those who have seen it. The body of the spider is about an inch long, and of an orange color, handsomely marked with brown and the body of a smaller spider is clearly outlined on the back in golden brown. The legs are about an inch long. Altogether it is quite a capture.

Officer Dunn night before last found a fellow terribly drunk on Broadway, but as the fellow represented himself as a Nonpareil reporter, the officer let him off easy. When yesterday's paper came out, giving Dunn a dig under the ribs, he naturally howled and swore off playing the good Samaritan any more. The drunken fellow doubtless played it on Dunn, when he represented himself as a reporter. So far as is known there are none of the Nonpareil editorial or reportorial force who get drunk, and if they did Dunn should run them in the same as would any one else.

The Doings in Detail.

The democratic county convention met yesterday morning at the campaign club headquarters. J. J. Frainey, in the absence of Col. Pain, called the convention to order and called R. M. The point was raised that the motion was out of order, until the committee on credentials reported. Then there was a lively time over the question of taking a recess or an adjournment. After several motions and amendments, with one or two votes, and one decision by the chair, it was conceded with some informality that a recess be taken until the committee on credentials reported.

Then Mr. Lutz moved the appointment of a committee on permanent organization. The following were accordingly named: John J. Lutz, Wm. Groneweg, Geo. W. Robinson, A. W. Wyman, and H. Mendel.

Mr. Holmes moved to take the ballot by call of townships. Carried. Mr. O. P. Wickham moved that each delegate cast his individual ballot. Mr. Graham objected, as some wards or townships had no full representation. Mr. Jesse Walters moved that the delegates present cast the full vote of the township or ward. Mr. Wickham's motion was lost and Mr. Walter's carried unanimously.

Mr. Holmes mentioned the name of J. J. Shea of Neola, as candidate for clerk.

J. J. Frainey placed in nomination for clerk P. J. Gallagher, of Garner township.

The ballot resulted: Total number of votes, 76. J. J. Shea 40, Gallagher 23, W. H. Ware 2, J. K. Cooper 7, Wm. Patton 3, Blank 1.

In the city Shea received 9 votes, Gallagher 14, Ware 2, and Cooper 1.

A formal ballot was then ordered, but J. J. Frainey withdrew the name of P. J. Gallagher in favor of J. J. Shea, who was then nominated unanimously by acclamation.

Jesse Walters moved that an informal ballot be taken for county recorder.

The name of J. F. Brodbeck was placed before the convention by H. Mendel.

RAILWAY SMASH-UP.

Several Cars and an Engine Wrecked Near Emerson.

A railway smash-up occurred on the C. B. & Q. road about half a mile east of Emerson about three o'clock yesterday morning. There were four trains, one following the other, and the second train, receiving a signal was stopped, and by some trouble in the engine was unable to start up again. The third train coming up was pushing the cars on to a side-track to get the second train out of the way, when the train behind that came up and run into it. It was a hard looking wreck, but fortunately no one was hurt. Five empty passenger cars which were being brought here were badly wrecked, and four stock cars. Some horses were hurt and some of the cattle badly shaken up, but the most of the damage was to the cars and the engine, which was almost wholly wrecked. The track was not cleared until late last night.

Oysters served at all hours at the exposition at the rink.
