New York, Oct. 17.—Money—Easy at 1%

Prime paper—5@6

Steel Bill—Steady at 4 1/2; demand, 4 1/2.

Governments—Shade easier.

Railways—Lower.

Stocks—To-day heavier and lower, with  
considerable pressure to sell Vanderbilt and  
Grangers. The cut in rates announced on the  
West Shore road the general demoralization  
in passenger rates, the report that the Lake  
Shore road intended issuing \$13,000,000 new  
bonds, rumors that insiders were selling Van-  
derbilt, and the announcement that the Lake  
Shore would meet the cut in freight rates,  
all operated against the market. Blocks of long and short stocks were freely  
sold, the transactions for the day amounting  
to the unusually large total of 465,000 shares.  
There were frequent rallies, but the  
improvement at any time did not extend over  
1 cent. At the close, the Union Pacific rallied  
1 cent, and this checked the downward  
movement. The market left off steady.  
Compared with last night the closing prices  
are 1 to 2 per cent lower. Reading, Louis-  
ville and Nashville 1@2 per cent higher.
