-Saturday afternoon, Burt Dillrance. carrier boy for both THE BEE and the Herald. met with a very serious accident which will lay him up for several months. He was riding his horse along Dodge street, near Sixteenth street, when the animal slipped and fell. It was all done so quickly that Burt did not have time to save himself and fell baneath the horse and had one of his legs broken in three places below his knee. He was taken to the Mr. Hascall stated that all the candidates residence of his father, Nathan E. Dillrance, 1610 Davenport street and his limb was dressed by a physician. Burt is one of the best carrier boys in this city and this many friends hope that his recovery may be rapid.

## An Indienant Republican.

Омана, October 26, 1884.

To the Editor of THE BEE. DEAR SIR:-I hope you will be kind enough to permit me to use a short space of your worthy paper. I am a republican for which I have sufficient reasons. and I have and ever wish to associate with that party-that which is honorable and tiou handed in to the secretary. On mojust. But the cause of these few lines is tion of Hascall the motion of R. D. Dunthe questionable manner in which the can was laid on the table. caucus of the Sixth ward for the nomination of delegates for the county conven- K. Coutant moved that the nomination of tion, was managed. Why did the Sixth Dr. W. H C Stevenson be made by acclamaward not give proper notice of the caucus tion, and the motion was carried without as the other wards did? Why did they called for and made a pithy and pointed hold the causus only one hour and a half speech saying: after the notice could be read? Why did they hold the caucus in a place other and the time for action is at hand. If than that which was advertised? and vote for good laws and the bad ones and why did they run the run their main the statute books he would endeavou chine so fast that before anyone could to have repealed. The colored race, of find out where the meeting was the which he is a member, has always "caucus men" were ready to say, "all the business has been transacted." Through respect to the citizens of the equal rights to all men. Sixth ward who desired to attend this caucus, through respect to the whole ward who desire to be represented by the greeted with cheers. best men they have, through respect jor the republican party at large, these things should not have been done. There things should not have been done. There this gentleman came forward and thanked the convention for its recognition of present time for the slanderous element him and said he accepted the nominaof the democratic party to croak over; tion. and I dislike to give them fuel for their fire. "Some loggerheads have run the machine to suit themselves," but I do not say that of our party; and I hope to C. Troup. Mr. Hascall named J. G. Jenkinson whom he characterized as a

maintain for the party the respect I now hold, but I hope to see honesty in the caucus, for bad management at the starting point is the great cause of the many poor officials the people are compelled to vote for and thereby injure our oun party and the country. A REPUBLICAN CITIZEN OF THE SIXTH

WARD.

## A Challenge,

Омана, October 27, 1884.

To the Editor of THE BER. DEAR SIE .- Having heard that Mr.

Patterson made a statement yesterday, after defeating Mr. Johnson, that he could give me a start of ten miles in a one hundred mile race, I beg leave through your paper to inform Mr. Patter son or his backers that I will race him or those terms for any sum over \$150, the race to take place on any good track-or an inclosed track. A reply will oblige.

Respectfully yours. LOUISE ARMAINDO.

Champion Lady Bicycler.

cents, and egainst the unjust discrimination of freight tariffs. The point was the nomination of two state senators, taken by Hascall that as the candidates had all been nominated they could not for these offices had withdrawn except E. F. At this point the convention became perfectly confused over a series morrow, October 28th, at 9:30 a. m., to St. of motions as to how that body should Patrick's church, South Omaha, Interment vote on the five candidates yet to be el at Holy Sepulcher cemetery.

could sell it lower than coal mined here. Mr. Duncan at this point called for the Nearly evey increase or reduction in the reading of his resolution, action upon tariff of commodities is the result of jobs which had been deterred at the beginning put up to further the ends of parties inof the convention, as the same was out of terested.

A revision of tariff is needed, to be done in such a manner that it will fall upon the luxuries of the rich and not upon the necessities of the poor.

Look at the woolen interests. The Fall River mills are closed as well as these of Philadelphia, and other owners have given notice that their mills will soon shut down. The democratic party be called for such pledges, and the reso- is opposed for the reason that they will make a change. If the people of this The work of forming a new central country are satisfied with more failures ommittee was next taken up. Mr. Yost this week than last, and more for the after eulogizing Mr. Hascall, its present corresponding one last year, they are easily satisfied indeed. If the demodone by him in that capacity, moved his cratic party ever get into power business will be disturbed and changed for the better.

In all the tariff laws passed by the republican party there is not a line or a letter intended for the betterment of the laboring classes-its especial pets. Its

eats of the rich, in the hope that they will take care of the poor. It is the vainest of all protexts that the laboring theFamily Fireside classes will be benefitted by the tariff

laws. The people have been told by the republicans if high high protective tariff were carried into effect that they would receive high wages, they would be en-abled to educate their children, and a

home market would be created for the consumption of agricultural products, nd have they done it? For twenty-five years the republican party has had the head of the governmeat, and in the various departments there has not been one in which there has not been fraud, peculation and dishonesty. He would not say their heads

were participants in them, but their eyes once so bright and keen are bright and UNCION keen no longer, having become dulled by gazing so long upon evil doing.

When the war closed there were 600 vesasls, 4,000 guns and 40,000 sailors, and within the fifteen years following the war \$450,000,000 was appropriated to it and to-day the United States has neither money or navy, the republican sannedrim
