## THE DAILY BEE.

Wednesday Morning November 12

### LOCAL BREVITIES.

—B. Newman's store was robbed of \$100 Saturday night by sneak thieves.  
 —It was reported yesterday that a boy employed by the B. & M. Company had a leg cut off by the cars last night, but upon investigation the report is found to be without foundation.  
 —Planet Lodge No. 4, K. of P., will hold a subscription ball next Monday night in Germania hall, and the operetta "Marriage at the Lantern" will be given.  
 —A little boy was thrown from his horse Monday morning and had his leg broken. His name could not be learned, but he was a relative of August Rohwer, formerly city engineer, to whose house he was taken.  
 —Chas. B. Schrotter was arrested yesterday for selling liquor without a license. He was brought before Judge Benke, pleaded not guilty and his case was continued, he giving bonds in the sum of \$400 for his appearance.  
 —Yesterday Fred Eckhold appeared in the district court and expressed a willingness to plead guilty to petit larceny. This was allowed, and he was taken before Judge Benke in police court, who sentenced him to twenty days in the county jail on bread and water.  
 —Be sure and attend the supper and fair given by the ladies of the Third Congregational church next Thursday evening, and thus secure a pleasant evening and aid a good cause. Supper served at 5 o'clock. Fancy articles as well as useful for sale. All proceeds to go to help furnish the new church.  
 —The street car company's track builders began work on Farnam street, west of Fifteenth street yesterday. This line will be built out as far as Twenty-fifth street and then across to St. Mary's avenue this season and cars started as soon as it is completed.  
 —Lillie Wood was surprised Monday by a number of her schoolmates congregating at her residence on Sherman avenue. Singing was the principal amusement of the evening. A delicious supper was spread at 10 o'clock, after which they all dispersed. Among those present were the following: Masters Willie Mathews, Tommie Golden, Johnnie Walsh, Johnnie Golden and Johnnie Harding, Misses Mamie Golden, Mamie H. Hader, Hattie Whitney Nancy Tuttle and others.  
 —Two drunken men were arrested yesterday and drunken men have not been put in the city jail in a long time. One of them was found by Officer Burdick at the corner of Tenth and Hawley streets and it was a hard pull to drag him in. As soon as he was placed in the cell he dropped upon his back and was dead-drunk. The coroner was on a bench at the corner of Tenth and Douglas streets. He evidently had croaked back whiskey, as he was seen how far back he could bend until he went over, cutting his cap. He was carried in by Officer Mayston and Bellamy and took a place upon the cell door at the side of his predecessor.

## FOUND DEAD.

The Body of George W. Sharpless Found in His Own Yard Yesterday Morning.

The messenger of death has again visited this city in a very sudden and unexpected manner, and has called from the scenes of activity and life to the gloomy confines of the tomb, Mr. George W. Sharpless.

Yesterday about 7:30 o'clock the body of Mr. Sharpless was discovered lying in his own yard, 1520 North Twentieth street, and still in death. Dr. Ayers was hastily summoned but nothing could be done in the matter. The physician expressed it as his opinion that his death was caused by one of the three diseases, congestion of the lungs, congestion of the brain, or congestion of the heart. The deceased had done a great deal of office work and had been continually bending over a desk, and had complained a great deal of his lungs of late, hence the physician thinks the theory of congestion of the lungs the most probable.

Mr. Sharpless had not been home since Friday night but had remained down town learning the election news as fast as received. It is not known what time he started for his home or what time he lay down within a few steps of his own door to die, but he must have been dead some time when discovered as his body was stiff and rigid. It is, indeed, sad that after making an effort to reach home he should have to die unprotected and alone within call of his loved ones.

Mr. Sharpless had been an accountant of the B. & M. railroad company for about four years and had always been faithful and trusted employe. He was about 48 years of age.

## AN OLD RESIDENT.

Mr. Henry L. Laity Visiting Old-Time Friends.

It is a pleasure to announce that Mr. Henry L. Laity, formerly of Omaha, is in this city on a visit to old-time friends. For the past three or four years Mr. Laity has been engaged in the livery business at Chihuahua, Mexico, a place of about 20,000 inhabitants, located on the Mexican Central railroad. It is a live and growing city, and within the past few years has become considerably Americanized.  
 Besides his livery business, Mr. Laity is also interested quite largely in the cattle business, and is the owner of quite a valuable ranch. Fortune is smiling upon Mr. Laity, and his many friends in this city will be rejoiced to learn that the "Goddess" has condescended to look with such favor upon one so worthy to receive her sweetest smiles. Mr. Laity was identified with the business interests of Omaha for a good many years and has many warm and intimate friends here as

## FORWARD FOR HIS MANY QUALITIES.

He is in excellent health and spirits and is greatly surprised at the rapid strides which Omaha has made since he turned his back upon her. He has unbounded faith in the growth and prosperity of the Gate City and is not slow to express it.

In a few days he will go to St. Louis to visit his family, after which he will return to Mexico, where he says he will remain until he accumulates enough of this world's goods to settle down in the city of his choice—Omaha—and when that time shall come he will find many warm hearts and open arms ready to receive him and pronounce the well done, welcome home.  
 Yesterday afternoon Governor Maul empaneled a jury and held an inquest upon the remains. After examining all the witnesses to be found the jury returned a verdict that the deceased came to his death through causes to the jury unknown.

## SMOKE SEAL OF NORTH CAROLINA.

## DORN'S DISAPPEARANCE.

A Warrant For His Arrest Causes Him to Skip.

In yesterday's Bee mention was made of the disappearance of Rudolph Dorn, secretary and general manager of the Western Horse and Cattle Insurance company. It has been known for some time that Dorn had left, and the reason for his going was also known.

Dorn was implicated in the Keith county land frauds, and it was to him that the fraudulent leases were delivered for distribution. A few weeks ago the sheriff of Keith county arrived in Omaha, armed with a warrant for Dorn's arrest.

Dorn got wind of the fact and hastily took his departure for unknown parts. He was absent for some time, and his wife claimed that she did not know where he was, but she made a visit away from the city and it is supposed that she was with him during her absence.

Hon. Wm. Neville, prosecuting attorney in the school land cases, informed a Bee reporter a few days since, that should Dorn return to Omaha he would be promptly arrested and prosecuted.

It has been stated that Dorn is largely indebted to personal friends, and several attachments have been issued. The affairs of the insurance company, however, are all right as is shown by the following circular:  
 OFFICE OF THE WESTERN HORSE AND CATTLE INSURANCE CO., OMAHA, Neb., November 4, 1884.—To Whom It May Concern: We beg to announce that Mr. Rudolph Dorn, until recently our secretary and manager, is no longer connected with this company.  
 We take occasion to state in connection with the above announcement that certain transactions in which Mr. Dorn was engaged, and which were the subject of severe criticisms on the part of several public speakers during the recent political campaign, were entirely his individual and private undertaking, and that neither this company, as such, nor any of its officers or stockholders, individually, were connected with them in any way whatever. It is scarcely necessary to add, that this

## change does not at all affect the business of this company, which will be carried on as heretofore. Very respectfully,

THE WESTERN HORSE AND CATTLE INS. CO.  
 HENRY TUNNEY, President,  
 EDWARD PEYKE, Vice Pres't,  
 MAY MEYER, Treasurer.

Dorn was a bright, intelligent young man and enjoyed the esteem and confidence of his many friends until his unfortunate connection with the school land affairs.
