

IN OPEN COURT.

Judge Brewer Decides the Platte County Tax Suit.

The Douglas County Jury in the Clark Case Still Out.

United States Courts. In the United States circuit court yesterday Judge Brewer rendered his opinion in the case of the Union Pacific Railway company against Platte county, argued on Thursday by Hon. A. J. Poppleton for the plaintiff, and Hon. W. H. Munger for the defendant.

The court dismissed the bill praying for an injunction as to all lands conveyed by deed prior to the bringing of the suit, and also for the taxes of 1881 upon all lands upon which the survey fees were paid prior to the levy in July of that year.

Upon Mr. Munger's construction of the charter that there was no survey fees as the land had been surveyed prior to the passage of the act granting the lands, the fees mentioned in said act being only such as were necessary after the passage of the act.

A great portion of the day was consumed by the argument in the case of Lalk and others, against Eler and others, in which the plaintiff seeks to enjoin the enforcement of the judgment in the case of Eler against Hogue, rendered at the May term of court. The property involved in this suit is some three blocks of land in Loup City, Sherman county, in this state.

The grand jury was busy at work all day, but made no presentations.

The jury in the case of Nelson against the Missouri Pacific railway, tried before Judge Wakeley, yesterday rendered a verdict for defendant without leaving the box under instructions from the court. Before Judge Wakeley the case of the state against Clark indicted for obtaining money under false pretences was submitted to the jury at 5 p. m.

On Monday the case against John F. Behm will be taken up.

A Allendorf was fined \$5 for being guilty of assault and battery.

The case of the state against Dug Maguire for the larceny of bread tickets and tobacco from C. E. Elasser & Son, bakers, was continued today on the statement of the defendant that he had a safe deposit box in the police station.

John F. Dierks, against whom a complaint was sworn out by C. Festner on Thursday, could not be found yesterday.

Do not be deceived; ask for and take only B. H. Douglas's "Sore" Capsules.
