Gen, Adams has had a checkered experience. He is a native of Pennsyl-Although agates are abundant here, vania. Entering the great war as a nearly all the Polish specimens sold in America have been polished in Germany, brigadier general, Gen. W. S. Hancock their son, Dr. H. McWorkman, of Tracy, Minnesota, who was present with his mother at the time the captain breathed his last.

Capt. McWorkman entered the moted at Corinth in 1863 to be quartermaster of the First Alabama cavalry. He was an old-time army friend of the editor of the Argus, they serving together in the campaign through Georgia on Sherman's famous march to the sea. On his return from the war the captain settled at Council Bluffs, where he made his home for many years, until coming to Fargo with Mr. Newell.

The american turquoise is of much interest, but is not much used by jewelers. It is frequently blue when found, but soon turns green on exposure.

Jet occurs in Colorado and Texas, and will probably soon be utilized in the arts. The bowenite of Rhode Island and will from the war the captain settled at Council Bluffs, where he made his home for many years, until coming to Fargo with Mr. Newell.

The second was left for dead for seven days and nights in loneliness and despair, with his maimed flesh festering and his crice for succor unavailing. Finally he was picked up with sufficient vitality to survive the shock and to prevent the amputation of his limb, after treatment, to resume the saddle and the sword, and fields. In addition to Gettysburg he participated prominently in the battlas of hills. Anti-on the battlas of hills.

voked in a successful campaign against "You will have to go into the forward funeral director for the Luger Furniture coach, said the conductor as he tore off the Sioux, with a vast area of territory company. The Fargo commandery of Knights Templar, of which he was a member, have taken charge of the funeral services, and the Knights will attend in a body, escorting the remains to the Manitoba train, leaving for the east at Manitoba train, leaving for the east at Manitoba train, leaving for the east at Manitoba train leaving into their camp, leaving his command with a park of artillery planted within range, with orders to fire upon the camp, regardless of their presence, if he failed in his designs.
