Since the Wall Street panle last May, with the subsequent cry of hard times, there has been less demaud from speculaors, but a fair demand from investors seeking homes. This latter class are taking advantage of low prices in building material and are securing their homes at much less cost than will be possible a year hence. Speculators, too can buy real esta's cheaper now and ought to take advant e of present prices for future pro ts.

The next few years promises greater d webpments in Omaha than the past iv years, which have been as good as we could reasonably desire. New man-ufacturing establishments and large jobbing houses are added almost weekly, and all add to the prosperity of Omaha.

There are many in Omaha and througn-but the State, who have their money in the banks drawing a nominal rate of 1 terest, which, if judiclously invested in Omaha real estate, would bring them much greater returns. We have many bargains which we are confident will bring the purchaser large profits in the near future.

We have for sale the finest resi-

dence property in the north and western parts of the city. North we have fine lots at reasonable prices on Sherman avenue, 17th, 18th, 19th and 20th streets. West on Farnam. Davenport, Cuming, and all the leading streets in that direction. The grading of Farnam, Califor-

There are also other serious discrepencies in Forman's [statement, among which is the proportion of whalebone to the proportion of oil taken,

and although his yarn is ingeniously twis-ted, yet it is full of flaws and apt to stand on examination, and the inference is, to be converted, into the one uniform unless he can reconstruct his story with a new name for the ship that is acceptable, he is a crank or a cheat of the

worst so rt. MR, HEWITT AND THE DOGS, The New York Congressman the

Victim of Barking Canines,

WASHINGTON, December 11.-Hon. A S. Hewitt of New York is going to make an effort to get some legislation by congress to abate the nuisance of dogs parking at night in this city. He is a great sufferer from insomnia, getting very little sleep when here during the session of crime and suffer for it in the way he did Congress, and he attributes it to the fact to the death-bed prayer of a child. Some that no matter where he takes up his years ago he was in the Missouri penitenquarters he finds that some near neighbor has either a dog to howl and bark all night through, or a rooster to pipe his larion notes during the small hours of

he morning. Mr. Hewitt is a man of remarkable nervous energy, and his mind is so active that he can never sleep soundly, conse-quently is awake to every sound during the night. His tireless activity is often a source of wonder to his associates on pardon the convict. After the funeral the ways and means committee of the house. He is an authority on most all reason for it other than that it was in fulsubjects, and shoulders a great burden of fillment of a promise exacted from him by

knotty question before the committee, and after discussing it for a long time they concluded that it would take at least a week's good hard thinking before they could get the matter in shape to report to the house, so they adjourned to meet at the expiration of that time.

The next morning Mr. Hewitt brought in a written statement of the case which so perfect and comprehensive that without any more ado the committee adopted it as their report. When his astonished associates asked him how he managed to accomplish such a tremendous task in

such a short time, he said: "The dogs would not let me sleep, so sat up and wrote."

121
