ILLITERACY IN HIGH PLACES.

A Gentleman Who Learned to Write After His Whisky-Ring Trombles Were Over,

Cor. Philadelphia Times. A noble example of illlteracy in high places was furnished a few years ago when "Gen." John McDonald, of St. Louis, was appointed the important position of supervisor of the vast revenue they desire such accommodation, if dedistrict composed of the states of Mis souri, Arkansas, Tennessee, Kansas, Colorado, and Iowa. At tha time of his appointment McDonald could write his name in a rude and scarcely legible way, a good excuse. But if the defendant had but that was the extent of his chirogra no such side-tracks, and had none of the phic accomplishments. He could not necessary arrangements with other roads write at all beyond scrawling his signaabout transferring cars, it was under no ture. He could read, however, and he artfully concealed from most people [the ffact that he could not write. He had a habit, whenever it became necessary for him to communicate with anyone in writing, of making the excuse that his hand was lame, and on that ples got some one else to write for him. Before the war McDonald had stop put to the wrong-doing. To warrant been a "runner" on the St. Lyuis steamthe glving of such damages there should boat wharves, and then the keeper of be evidence of either malice, fraud, or livery stable. During the war he was cashiered for timidity, to use a miid word while colonel of the Eighth Missouri vol-CALIFORNIA is the greatest wheat state unteers, a regiment of the roughs. Yet Donald, that he prevailed on President acres in one year, and this season she Grant to intrust him with one of the raised 58,420,188 bushels, an average of most responsible offices in the revenue It is claimed that the agitation in Iowa 16.4 bushels to the acre. Her total wheat service. As might have been expected tor by organizing the gigantic whisky ring that brought so much biscredit on cereal crops have yielded more abundantof the state. California is indeed the his co-conspirators in the penitentiary.

To show how assurance sometimes for tifies ignorance, this same man hired a reportar to write a book, to which he attached his own name, and he took the to inject 50 per cent, more water into its trouble to convince every unsophisticatalready inflated stock, in other words, it ed person he met that "he wrote every word of it." After his whisky-ring troubles were ended McDonald married the "Sylph," the woman who figured so

The Veteran of the Polar Seas at Work on his Report.

times as high

General George D. Ruggles, for years assistant adjutant-general of the department of the Platte and a great favorite in Omaha, occupies one of the spacious and elegant coms on the ground floor of the new war deeral of the United States army. I found the genial and jovial veteran bareheaded behind four baskets full of chicial documents tied in the conventional red tape.

are all kept busy."

After chatting over old times and passing including the redoubtable Gen. Jim Brisbin, Lieutenant Greely, who resided in Omaha at the time Ruggles was adjutant general under General Crd.

"Where can I find Greeley. I certainly do signal officer's quarters," said the general.
