WASHINGTON, December 21 .- The forty eighth congress undertook the herculean task of wresting from railroad corporations vast tracts of public lands, which have not been earned under the terms of the grant. It will pass out of existence without accomplishing anything. The fault is not with the house which has passed a long list of forfeiture act and an act to prevent the unlawful fencing of public lands. The fault is with the sen

ate, whose corporate interests are strong ly intrenched, and most of the opposition to the house bills has come from Senator Blair republican, and Senator Morgan, democrat The suprome court having decided that the coclaration of forfeiture was the prerogative of the legislature and not of the judicia branch of the government, Senator Morgan attempted at the last session to block disposi tion of the matter by the legislative branch by introducing a bill referring all forfeiture proceedings to the courts, and providing for ten and earth, all of which yield \$1,0 0 of gold to or fifteen years of legislatson. English Grain Market.

LONDON, December 22 .- The Mark Lang night at the Coleman house, and when seen Express in the weekly review of the British grain trade says the week's rainfall materially sually follows visitations to the dispersaries improved the the already promising autuma crops. The trade the past week was stationary.

Sales of English wheat during the week, 51,-\$17 quarters a: 31s 5d per quarter, against 67,-553 quarters at 39s 2d per quarter during the corresponding week last year. Foreign wheats were quiet and in small domand; holders, however, seem to be in better spirits and also a material reduction in stocks also a material reduction in stores at the end of the year. Maize scarce, occas-ically dearer. In wheat cargees off the coast but small business done. Of Cahiornia wheat, the new crop now at Liverpool, the grain is described as bolder and the color and quality better than in 1883. Nine cargoes arrived during the week; three sold; five re-

mained. Trade in forward months livelier; fair business done in California wheat; thirdue consideration of the probable result he teen cargoes sold at from 33s 6d to 35s. Bus-iness to-day is of a holiday character; foreign wheats are quiet and steady; retail domand. Four dull, unchanged. Maize and barley iteady determined to put such questions only as the here of Mississippi could answer in monosyl-'Do you intend to go into training again?' steady.
