A Party of Them Arrested in Chicago Yesterday.

Last week United States Marshal Bierbower went to Chicago and lodged complaint a ainst eleven different parties, whose names cannot be given at present. for perjury, indictments having been found against them by the United States grand jury in this city.

It seems that two Chicago parties employed eleven or twelve men to come out to Nebraska in the vicinity of Valentine and enter up land and then turn it over to the Chicago parties to be used as a stock ranch, contrary to law.

Commissioner Hoyne issued the warrants in Chicago and the arrests were probably made yesterday, and the parties will either have to give bonds or will be brought back to Nebraska at Marshal Bierbower returned yester

day but left deputies to attend to the rest of the work.
