## A LEAP IN THE DARK.

The Day's Proceedings at the State

The State Cabbage Patch and Cow Pasture-Grand Island "Ministers to Minds Discased."

MONDAY'S MANGEUVRES. THE HOUSE.

Special Correspondence of the BEE.

LINCOLN, January 19. - Long before four o'c'oc's this afternoon, the time appointed for the house to assen ble, many members were the house to assenble, many members were already in their places. Some of the first to strive were Mr Bair, whom ever body must have been glad to see looking so well, with Mr. Henry, of Johoson, following close at hand. Among the oth rs who might have been noticed were Messra Miller, Troup, Demiste, Harlan, closely f llowed by Netil tim. Then came Hilmes, as u ual smiking a cigar, accommand by Scovill, of Saundes, who might have been observed on taking hisse t, knawing an apple. Nich I brought up the rear.

ing an apple. Nich I brought up the rear.

Evidently eager for bu iness. Nicholproposed that therea ung of the journal be suspended and Olustead took the flor with a resolution that another assistant segment at arms be speciated, the present staff not being sufficient to expedite the working of the school land investigation committee, of which he is churrian. It has taken this committee a me time to realize the fact that the reple are anxious they should proceed to busin sava outskly as ram. It has taken this c mmittee a me time to realize the fact that the respe are anxious they should proceed to businessa quickly as possible. Up to the present time to y have done nothing but meet. When they have inshed what they will no doubt call there is a term as they should be set of the second reading of the Bacon appropriation bill.

Thomas, of Cass moved that it be indefinitely postponed, at which Riley said all chins on the state should be inquired into already on several nothing else. The serveant attains with his staff is at present well able to bring before them all the winesses they require, and as soon as they wake up nod show they or a xison so they wake up nod show they or a xison so they wake up nod show they or a xison should be a second reading of the Bacon appropriation bill.

The first claim of the day having been disposed of the next—that of Samuel Bicon—came before the house on the second reading of the Bacon appropriation bill.

Thomas, of Cass moved that it be indefinitely postponed, at which Riley said all chins on the state should be inquired into already on several occations and that his claims have been paid occations and that his claims have been paid the same thought of the Bacon appropriation bill.

Thomas, of Cass moved that it be indefinitely postponed, at which Riley said all claims on the state should be inquired into already on several occations and that his claims have been paid the claims have been paid the same the second reading of the Bacon appropriation bill.

Thomas, of Cass moved that it be a indefinitely postponed, at which Riley said all claims on the state should be inquired into already on several occations and that his claims have been paid the same the claims of the same the second reading of the Bacon appropriation bill.

Thomas, of Cass moved that it be included that it is a postponed, at which Riley said all claims of the sacond reading of the Bacon appropriation bill. them all the witnesses they require, and as soon as they wake up and thow they in a xi-ous for business and a thorough lave tration he will bring before them as many persons as they want. The people are ken to learn as quickly as possible how much these

SCHOOL LAND SWINDLERS

have cheated them out of and the sconer this committee proceeds with the investigation the better for all concerned.

Hit, of Gaze, offered a resolution that a committee of five be appointed to visit the Agricultural Farm to enquire into the management and worsing a direp ratio the management and worsing a direp ratio the house. This was a lopted Like the land frouds the quicker this is enquired into the better, as bit ratbe legislature mets again, two year-hence, this farm will be stock divine such a heter geneus collection of animals that no

THE REGAN RESOLUTION Nicho's' res Juti n to instruct the United States sena ors to use overy means in their power to secu e the assing of the Rezan In marks when it again makes its appearance in the house. At present is may be farly guissed how the railcoal schem ra will act, but by the time they have been i struct d by Andrew Jack on Poppleton, Charles H. Green and others there will be no d ubt. However, they have this to consider, ht the people who sent them sere are wat hig them work and will read the true to pres made in the papers that are not subsidized by the rail-roads. The people will knew how to are as th ir first messing at the pells. They who are hosking or now may have something to say then that will considerably upset the men who allow then to live under such a transical monopoly as at present exists. There men who have grown this core—that they may n w be husting—know ho toings aton. They are aware of the fact bat to transport their con n from h re to New York they met to day pey two nty-five recent more foghs that geson every as load from bees to Chicago than from Cairgo to New York as the former distance is only about half that of the latter.

Weaver, M. C., fr Nebrasks, ored for the Regan bill when it was before the bouse for consideration. He was estitled to no credit for this bouser. He was estitled to no credit for this bouser. for this howeve. He only youd for the bill because he could not provent its passion. He

waw from his position at the bottom of the list how things were going so rejoined the growd. Very likely some of his friends he e will adopt Very fixely some of his research states the same tactics, other will plead ignorance, but they will all be wat hid closely.

Gen. Thurston, Dioceas Phillips and a whole gang of railroad surkers are here to prevent the classage of the resolution. They are backed as his resolution. They are backed as his resolution. They are backed as his resolution of the covering of the resolution of the covering of the resolution of the covering t backed up by no be ga g equally reputable.

Shorts tell off fractionally and recovered consisting of railway lawyers the bye, what are these laster doing her? They come ered in turn but the feeling is not as strong

ing bil relating to fire tost ance be prined and given one to e ch member of the fire here. And a bill for a revising for the taking of the cens son or before June 1, 1855.

Cornelious introduced a bill f r the erection and maintenance f a state fun tic asylum. This is absolutely necessary and every effort sir age to many.

The ho se adjusted at 5:12 until 9:30 to-

morrow morning.

THE SENATE. The state sera'e met to-day at 4 o'c'eck. Most of the members were in their claces, only about a dozen abent. The proceedings were not of a very lively nature and after the clerk had read at this rumin sting body for something under an hoor it adjourned us to 10 o'clock to-morrow morning. The bills is of were the same of which mention has already been made at their first ics ing. This being the time for their a condreading and reterto the respective committees.

Special to the Bee.

LINCOLN, January 20,-The house assem bled this morning at 9:30 and was at once called to order by the speaker. The reading

of the journal was soon dispensed with. Riley offered a resolution that a page be appointed to assist the librarian. This was,

Thomas, of Cass, then came up with a resolution that the rules of the house he suspendad and the resent vote upon the resolution offered by Miller of Butler, relating to the claums of Hawes, Kennerd and "Majer" be

supported Frenner and thirty-seven of or red him. His amendment was, therefore, carried. The following bing the analysis of his voices given, it will allow your renders to judge who are the supporters of the epersons who present suspicious and fraudulent claims to the state.

The demonstration of grain rates by the grank lines are grank lines and the grank lines are grank lines. toust of any raily. Brose slock for no settle ment of the railroad war and the Panus vania people are raid here se have notified Mr. Fink that if he does not stop the pro-roads from cutting both freight and passenger rates the Pennsylvania will go below the low It is said the Peonsylvania will not b sa i fied unless a money pool with "the morey up" is established A Torento dispatch says the Grand Tounk

should be made to secure it speedy passage.

Mr. Cornelious, how-ver, wishes the section to be situated at Grand I land. Postily there are more mad people there than is generally known, but why he should be so easily known, but why he should be so anxious to keep them there may appear reads to consider the situation. The Pennsylvania will not join the combination and it is vania will not join the commination and it unikel to fall trough. It is reported that Va derbilt is sick of via South Penns Ivania venture and has offered to sell the uncom-pleted rose to the Pennsylvanis rail o d company. There is be isy d to be considerable trush in this report, a'though the Pernayl-vania railroad officials are reticent.

The Wisconsin Schatorship,

Special Telegram to THE BEE. Madison, Wis., January 20 .- A large delegation of Milwaukee business men is in the city to-day. They captured Senator Stanley, who is a Spooner man, and after luring him into a private room, fired speeches and petitions at him for half an hour, advising him of the importance of his properly representing the people of Milwaukee by voting for Fair-child Thus far, however, the delegation does not appear to have influenced the stub-born Stanley. Beyond this feature there is nothing new in the senatorial situation. There appeas to be no trouble whatever of Spooner's success to me frow night in the republican

offered by Miller of Butler, relating to the claims of Hawes. Kennerd and "Major" be secondidered. This was seconded by Dem, ster. Beanner now proposed an arendment that the resolution be laid upon the table.

Dempater wished to sheak on the resolution but was ruled out of order. Cole now had the resolution result to the house, and the house having voted the list showed that fifty-four having voted the list showed that fifty-four having voted to be implicated in a bank rubrery.

dis-ster that ever occurred in Sioux City took place at 7 o'clock this morning in the pork packing establishment of James E. Booge & Co. The day force was just commencing work in the lard randeding room, when one of four large tanks exploded with terrific force, tearing away a four-story addition to the main building and scattering death among the employes. The work of extricting the dead and doing was important to the madvised that Townsend had used money togethis less. He interferred charges against Townsend before the Indian bureau, but did not hear from them until he git sensitor Plumb to inquire about it. He was then advised that Townsend had resigned and lead and dying was im nadiat begun by desd and dying was immediat begun by the employes in other departments. The following were taken out dead: John W. Fartel, aged 18, single, and John Keller, who leaves a family in St. Louis. Joseph French taken out where, but shortly dead. He was married The injured, James Boown, fatally was married but had no children. Harry Ellsworth Ben Doyle boys not dangerously hurt. John Sillotson, aged 18 not dargerously, Wm. Wallace, dange ously injured. Charles Udvill, a boy sent usiv. J seph F inhead, single nan, painfully scalded. Had the accident occurred half an har later the loss of life would have been terrible as the full complement of men would have been at work.

the aic deat occurred hair and the second terrible as the full loss of life would have been terrible as the full complement of men would have been at work. The lard building which was an addition to the main structure was four stories high and 50 by 8. feet in size. This was almost completely demolished. The loss was almost completely demolished. The loss was almost completely demolished. The loss to the building, machinery, etc., is placed at \$20,000, on which there is no insurance. There are various theo ies as to the cause of the example of the secured by the Nicaragua treaty. \$20,00°, on which there is no insurence. There are various theo ies as to the cau e of the explosion, but nothing definite is known, Joe French, one of the ailled, had charge of the tank. He was considered a very caseful man. The gauge let steam off when the pressure became to high and it is not thought to have resulted from this cause. A had find the disaster is that it ends the proxing for the case, and the loss to the city and the work. eason and the loss to the city and the work ingmen will be great. The buildings will be put in shape again in the spring.

PHITSBURG, January 20 -To our creditors:

We submit for your consideration a statem nt of our assets and habili ies. We feel cert in that a careful perusal of this statement will couvince you as it has emprinced u , that the a lova ce of a re somable time on your part enable us to pay all our dett. With this enable us to pay all our dett. With this end in view we propose to pay all claims griest us, not secured by morroses, by our note maturing as follows: One fifth on February 1, 186; one-fifth on February 1, 1888; one-fifth on February 1, 1889; one-fifth on February 1, 1890. Each no e to bear interest at the rate of 6 p r cent per annum fr m date, when own house, and then only after shooting four times. Nally is tow in a dying condition. claims are respectively due. Parties holding r trustees that may be camed by you, a mortgage cove ing all our real estate in Alle propose to make semi-nonval reports to said trustess of the condition of our ou iness, and if in their opiol noit is possible without interfering with carrying on to anti-ipate any payment above mentioned they are to have an horny to do so direct e also request a like ex ension of our todi idual ti shiliyes upon the same terms as ab we shich, each of us wil execuse and deliver t s of rasters, a mortage covering all of the e cayment of the owner d be and the balance to the partner hip debts.

The salem no were discussed at length and a committee of five appointed to ex mine into them more closely. The committee after an absence of some time returned and reported favorably then recided to take no fin-1 action unsil Toursday, the 2 th, when another me ting will be held. In the mean time a therough i westig dien will be made by the c mmittee which was c n is used. The greatest harmony prevailed at the meeting and the disposition manifested by he credit as to grant five years extension asked by the firmes and it is thought such a step will be taken at the next meeting. The assets are confidered unusually good. The reno t howed the labilities aggregate \$1,800 000, assets \$4,319 000. The statement of the Oliver & Roberts Wire Co., limited, shows liabilities \$9.2,000, asset \$1,860,000

## Rheumatism

We doubt if there is, or can be, a specific remedy for rheumatism; but thousands who have suffered its pains have been greatly benefited by Hood's Sarsaparilla. If you have falled to find relief, try this great semedy.

"I was afflicted with rheumatism twenty years. Previous to 1883 I found no relief, but grew worse, and at one time was almost helpless. Hood's Sarsaparilla did me more good than all the other medicine I ever had." H. T. BALCOM, Shirley Village, Mass.

"I had sheamatism three years, and got norelief tilk I took Hood's Sarsaparilla. It has done great things for me. I recommand it to others. \*\* LEWIS BURBANS, Biddeford, Mo.

Hood's Sarsaparilla is characterized 14 three peculiarities: 1st, the combination of remedial agents; 2d, the proportion; 3d, the cross of securing the active medicina matities. The result is a medicine of unusual trength, effecting cures hitherto unknown send for book containing additional evidence. "Hood's Saraaparilla tones up my system, strikes my blood, sharpens my appetite, and seen, to make me over." J. P. Thompson, for ster of Deeds, Lowell, Mass.
"Hood's Sarasparilla beats all others, and sworth its weight in gold." I. Hammington, an Pank Street, New York City.
