commerce bill and the Nicaragua treaty of last week and the week before the leading measures before the senate and appears to be not perceptibly nearer the point of final action than a week ago. It is probable that their discussion will outlast the present week if not set aside. Bayard's resolution expressing the sentiments of the senate regarding the London explosion may lead to some debate tomorrow, and the regular or fer is likely to beset aside later in the week for the discussion and passage of the persion, consular and diplomatic appropriation bills. It is possible that the Indian appropriation bill which will reach the apprapriation committee to morrow will be reported before the end of the week. The temporary naval bill is still in the hands of the conference, but an agreement will probably be reached to morrow or Tue day. It is not likely to lead to any further discussion in the likely to lead to any further discussion in the senate. The annual appropriation bill for the District of Columbia will be called up in the house to-morrow. At 2:30 subgris-tic addresses will be d-livered in honor of the late Representative Doncar, of Pennsylvania. The committee on appropriation expect to re-port the army and postoffices appropriation bill in time to call them up Tuesday and Wednesday. It is the intention of the com-mittee on rivers and harbors to ask for the consideration of the river and harbor appro-priation bill the latter part of this week
