FINANCE AND COMMERCE.

FINANCIAL

NEW YORK, February 10.—Money—Market
easy at 1 per cent.

Primes mercantile paper—4@5%.

Sterling Bills—Dull at 4@4½.

Sterling Exchange—Demand 4.86%.

Governments—Dull for 3 and 4½ coupons.

Railroad Bonds—Generally higher.

Stocks—Opened about unchanged from yes-
terday, but after a few minutes there was a
decided buoyancy and the upward movement
continued, with very little interruption, until
2 o'clock, when an advance ensued amounting
to 1 to 2½ per cent. The leaders' advance
withdrew a portion of the support of the lat-
ter and there was a reaction. The net result
of the day's transactions is an advance of 1 to
1½ per cent, except in a few instances, where
prices are a fraction lower. The market was
unusually active. Lackawanna again led the
list in the amount of business done. Unusual
strength was displayed in Lake Shore and
New York Central. The advance was accom-
panied by a report that Vanderbilt was buy-
ing back these stocks. St. Paul was an ex-
ception to the general rule, being compara-
tively weak all day. A decline followed the
publication of a synopsis of the companies'
business last year, showing a decrease in the
surplus at the end of the year of \$1,005,772.
