Among the sporting men of Council Bluffs is one deaf and dumb young man, who is indeed a curlosity. He can hear nothing that is going on at the gambling tables, but is keen-eyed, a fine poker player, and despite his lack of hearing and speaking, is as slick a gambler as there is in the city.

At the mile race at the skating rink Thursday night, John Epeneter, jr., defeated Henry Scheidle, winning by ten seconds, and making the mile in 4 minutes and 33 seconds. Johnnie will not therefore have to give up any of his highly prized medals, and still holds the championship of Council Bluffs. Another contest is to be held next Wednesday n'ght, the distance to be two miles instead of one.

The yearly report of the Y. M. C. A. is being distributed among those interested in the work. The membership on February 1st, 1884, was only 30, and the number added during the year 66; decoased 2, leaving the present membership 94. Harry Curtis, the secretary of the association, has certainly done a grand work, and deserves special credit for the wisdom and enterprise he has shown in managing all departments of the work.

John T. Stewart has commenced suit against the city for \$5,000. He claims that the building occupied by Stewars Bro's' on Main street, was built second ing to the grade then established, and that afterwards the ci y council changed the grade and alled in the street, so that the first floor of the building was below the street. The matter was brought before the council and that body referred it to the city attorney with power to act, and he entered into a contract to settle man & Co., 525 Main street.
