CHEER is well represented at Lincoln by the insurance lobby.

WE are again reminded that Omaha needs a few more tunerals among the claims upon the gubernatorial chair of Wyomoss-backs and obstructionists.

It is to be hoped that the star-eyed goddess of reform will visit Omaha this spring and exercise har influence in the governor over the Mormons and Gentiles city election.

BILL STOUT seems to have the floor tunians. There is in every one of the greatest effort of his life, as it is the biggest job he has ever undertaken.

UNLESS Church Howe pushes his antigambling bill with as much vigor as he has displayed in his opposition to rallway regulation he will-lay himself open to surpleion.

THAT venerable moss back, B. E. B. Kennedy, is reported to be among the offices. We believe that it would be no lobbyists who are working to defeat the more than fair to allow the territories to city charter. If the city had a few more express by ballot their choice for goversuch men as he, it would soon become like a crab, and go backward.

Is there is anything that will make a man swear more frequently than anything else we know of it is the telephone, and yet the supreme court of Ohio has decided that a telephone company can remove an instrument from the hauds of any subscriber who indulges in profanity while he is using it.

THE lows Leader denies the charge of THE BEEthat the democratic slik stocking society, known as the Hawkeye club of Deal Moiner, has made up a s'ate and assigned all the important federal offices in that commonwealth. The Leader maintains that the silk stocking Hawkeyes are not a spolls organization, but that their ob ject is to advance the interests of the whole party and not to aid individual ambition. If this be so the Hawkeyes are a model club, and their example is worthy of imitation by the democrats of Omaha. But we feel confident that there are too many democratic Flannsgans hereabouts ever to organize any club such as the Hawkeye claims to be, so long as there is an office in sight,

RATHER than have congress restore 15,000,000 acres of land to the public domain, the Lincoln Journal would have had the Texas Pacific land grant question referred to the courts for settlement, and thus have the matter tied up for several years longer for the banefit of C.
