The Robbery.

Special Correspondence to THE BEE.

LINCOLN, February 28.-Intense excitement prevailed throughout the city to day, when the news of the attempted robbery of the state treasury was reported. Such crowds gathered at the capitol building that it was almost impossible to get the exact facts of the case, though a BEE reporter witnessed the shooting of one of the robbers; An interview with Detective Pound made the matter plain, the facts being as follows:

About two weeks ago a man came to the detective and warned him that an attempt was to be made to rob the state treasury. Who this informant was the detective would not say. He ridiculed the idea of robbary, but nevertheless told the man to keep watch and learn all he could regarding the raid. A MULTUM IN PARVO REPORT. WASHINGTON, February 28.-The house ommittee on foreign affairs, by a vote of six to four, adopted Phelps' resolution relative to the Congo conference. The following will be reported by the minority of the committee That the house of representatives, heedful of the admonitions of Washington, and faithful

to that neutral policy of separation and peace which our aituation and the wisdom of a free people have hitherto enabled us to maintain, do hereby explicitedly record their dissent from the act of the president of the United States in accepting the invitations of Ger-many and France to participate in an international conference at Berlin, instead of de clining the same, as tending to a reversal of our traditional established and approved for-

eign policy.
