Mrs. Horace Everett gave a tea party to a number of friends Saturday evening, in honor of her guest, Miss Lu Smith, of St. Joseph, and Miss Richardson, of Lexington, Missourl.

One of the greatest reasons for voting for Shugart is that Vaughan is fighting him so bitterly. Vaughan knows he cannot twist Shugart, and cannot pull the wool over his eyes.

The Globe, with its strong antagoniam to Vaughan, would like to oppose Vaughan's candidates, Murphy and Blaxsim, but it is afraid that if republicans are elected, the city printing would go out of its hands, and its only means of support thus taken away.

James N. Pratt, an account of whose arrest at Oakland on the charge of forgery, has already been given in the BEE, was brought to this city Saturday and lodged in jail to await trial.
