SONGS OF THE WAR. How "John Brown's Body" Was Written--Mrs. Howe's Battle Hymn. New York Graphic.

Some one describes in a Philadelphia paper the methods of Frank Howard, popular singer and ballad composer. It is said that after writing the words he will get together several members of the minstrel company with which he is connected, and they will all sing, suggest and criticize, while he embodies on the piano, till at last the melody thus hammered out is made to fit.

The South Norwalk haters have received in cash from hat-making friends during the past four months \$24,000. The recipients of aid now number 210 men and 175 women and the women are the best men of the lot.

There are 15,000 organized wage-workers in California and an organizer there unbosoms himself in this wise: "Our legislature has done nothing but deliver the state over to the merciless monopoly; the white fools do the voting, the knaves the counting; residence on the coast develops all the selfishness in human nature."

Many years ago a humble day laborer named Robert Duesmuhl was walking pensively in the woods near the mines in Victoria, B. C., where he worked. A storm had swept over the mountains from the coast, and his practical eye detected a coal seam.

LABOR AND LABORERS. Matters of Interest to Employers and Employed. Philadelphia Record.

In several cases employers are resorting to novel methods to drive out their unionism. Mr. F. W. Breed, of Lynn, Mass., will have nothing to do with the board of arbitration of the Lesters' union, but will remove his works to Rochester, N. H.

A Family of Suicides. Colonel Mayo, who killed himself recently in Virginia, was a member of the forty-eighth congress from the first Virginia district, and was unseated and the seat awarded to Garrison.

Borsford's Acid Phosphate. DR. J. S. HULLMAN, Philadelphia, Pa., says: "It is of good service in the troubles arising from alcoholism, and gives satisfaction in my practice."

A Consistent Man. The "free pass" question has very much agitated the present session of the Arkansas legislature. The other day a well known representative arose and said "Mr. Speaker, I wish to offer a resolution."

English labor papers report a steady improvement in many important trades, among them ship-building and the marine engineering trades. The coal trade is fairly active and the textile trades are doing better.
