### FINANCIAL

New York, April 2.—Money—Easy at 1%  
@ 1/2 per cent; closing at 1 per cent.

Prime mercantile paper—4@6.

Sterling Exchange Bills—Very dull, 4@4½;  
demand, 4½.

Governments—Quiet except 4½ coupon and  
4s, both registered, and coupons which quoted  
1 lower bid.

Stocks—This has been the dullest day on  
the stock exchange for months past. The  
market opened irregular and in the early  
dealing exhibited some strength. By the  
end of the first hour, however, gains had been  
mostly lost and the market assumed extremely  
dull tone with fluctuations confined to small  
fractions of 1 per cent. In the middle of the  
afternoon the whole list became weak, but  
the decline was checked before 3 o'clock and  
the close was steady. At a meeting of the  
directors of the Wabash railroad to-day Mr.  
Gould's resignation as a member of the board  
was accepted and Mr. E. C. Clarke elected to  
fill the vacancy.
