OMAHA! A GROWING CITY

The remarkable growth of Omaha during the last few years is a matter of great astonishment to those who pay an occasional visit to this growing city.

Since the Wall Street panic of May, with the subsequent cry of hard times, there has been less demand from speculators seeking homes.

The next few years promise greater developments in Omaha than the past five years, which have been as good as we could reasonably desire.

We have for sale the finest residence property in the north and western parts of the city.

We also have the agency for the Syndicate and Stock Yards property in the south part of the city.

We also have some fine business lots and some elegant inside residences for sale.
