NEW YORK, April 13.—Money—Easy at 1
per cent, closing at 1 per cent.

Prime mercantile paper—4¢56.

Sterling Exchange Bills—Quiet and higher
at 4 1/2; demand, 4 1/4.

Governments—Quiet and unchanged, except
3%, which are 4 higher.

Stocks—The market opened this morning
with a rush by the shorts to cover as well as
by the bulls to increase their holdings, and
the first prices were generally 4 to 4 1/2 per cent
higher than the close on Saturday. Early
transactions were accompanied by unusual ex-
citement and a further advance in prices,
generally, however, for fractional amounts—
news from Europe interpreted as indicating
war inevitable. Early dealings gave promise
of an extremely active and excited market
for the day. About 11 the market became more
quiet and quotations began weaker after the
first hour until the close, there not being a
single feature of special interest. Closed
at about Saturday's prices.
