HOW ACCIDENTS OCCUR. "A hole in the ground, which catches the horse's foot, a stumble, and the hoofs

John Watson, a boiler maker of Clinton, went to Cedar Radids a few days ago an eastern col'ege, but for some reason A. Dauphin, New Orleans, La., on application bad drifted to the cattle plains of Texas will give full information. Try now to catch where, notwithstanding the strrocco of prohibition winds prevailing in that town, and had become cowboys. The elder was the captain of the drive. Sitting about the camp fire one night, the younger was "Yes" bosst he got gloriously drunk, and was run in and fined a substantial \$50 and coats. Scott Bagley, a young traveling man of very down-hearted about something and expensive habits, and in the employ of a finally said: 'Charlie, let's throw up this Cedar Rapids firm up to January last, has been arrested for embezzelment. The drive. I don't want to go. I feel that one or the other of us will never go back. shortage was discovered after the young I am ashamed of this, but I can not shake it off.' His brother was impressed man's discharge, and amounted to \$200. On a three days' acquaintance Belle ikerman, of Eldora, married Edward Ellis, a strolling juggler. After five weeks of married life Belle came in conweeks of married life Bells came in contact with another woman who outranked by date of commission Belle's title as wife by two or three years. Ellis pawned Belle's clothes and skipped, leaving her among strangers in a penniless, halfnaked condition, to make her sorrowful way back to her parents.

'A stampede' cried one of the men. In an instant they were all at their animals, saddles were adjusted and away they went. The captain gained the head of the drive and had succeeded in turning them a little when his horse stumbled. In another instant horse and rider could have been distinguished from one

another. So you see there is some responsibility upon the men.

These wild cattle away from homes are

as variable as the wind, and when frightened are as irresistible as an avalanche. The slightest thing stampedes them, For instance: We have rounded up the drive and the cattle are lying down. am one of the men detailed to ride around them. Finding them all quite I got off my borse to light my pipe. Relieved of my burden the horse rests himself by a against all sorts of people, I can tell you. shake. The whole drove is on their feet It was on this same train, Panhandle No in an Instant listening to discover from that quarter the noise came. No one Mingo Junction. A well-dressed young man, I think I do. When you have session and good judgment on the part worked with them, camped with them, of the men on duty will prevent a genlived with them and been among them eral stampede. That is the class of men for years on the drive, and on and off cowboys are made of, and I never knew of many instances where they failed to him that every birth was taken, and that do their duty."

WHERE THEY COME FROM.

"From all parts of the world. Some honorable men in the world. Brave to their half Indian characteristics, and Louis, where he had relatives of high many from the east. I know a dozan social standing. He had become dissishould be thrown among them you would college graduates who are cowboys, and find them ever ready to share their last have become so infatuated with the life was killed. He was never charged with crust with you, or lie down at night with that I suppose they will never leave it until the final grand round-up.

"Why, young man", see here, and the Texas man twitched his chair around un- in the life of the cowboy," continued Mr. "Say that I have 10,000 cattle In the fall the cattle stray away, and in This will be continued until each ranch found without a brand they are killed "Danger! Yes, indeed. A man to be cowboy must be a brave man. For infor the use of the men on the round-up.

frequently requires the use id as sheep. The slightest noise may ing nearest the owner takes charge of it benefit of the Cattlemen's association.

WHEN THEY BECOME RECKLESS. "These things will go to show the far with and to drown any noise of an responsibilities resting upon these men. Just then a young man came up, who until finally the cattle become quiet, and suppose these men have been on the er is dead.' In another instant horse and rider could Track-laying has begun on the eighty four hardly have been distinguished from one miles of road graded west of Valentine.

ON A SLEEPING CAR.

The Peculiar Experience of a Pull man Porter on the Panhandle

"Yes, we do have some peculiar experi-

ences," said an intelligent Pullman car Relieved of Union depot last night. "We run up trouble, came up to me and wanted to know if he could get a berth. Weil I had nothing to do with letting him have a birth, but there was but one parlor car on the train and that was full. So I told it would be impossible for him to get a place. He turned around and walked The enthusiastic Texan had now and pulled a revolver from his hip pocket warmed up to the subject, and when asked "Where are the cowboys recruited from?" replied:

and pulled a revolved to stop him shot himself through the head. He lived a few minutes. He was out of his mind, Some from Mexico, with many of Frank Leighton, and that he lived in St. the crime, but he got the idea that suspicion rested on him and he disappeared from home and his friends did not know

of his suicide.

"Another case I shall remember as long as I live. A young New York Hebrew, named Nathan, died on my car. He was broken down in health and went down south to get well. He spent the winter down in New Orleans and Galves. Ton. He didn't get any better and in the spring time started home. He knew he was going to die, and was terribly down. hearted. I had to be with him most of the time on the way up. I made up his the extent of many thousands of dollars without a contract, without a bond, with no earthly hold upon them, legally or morally beyond the fact that I am paying the state of cut' out his cattle. One of A's most experienced men will then ride into the drive until he sights an animal with his brand on.

Defile he will delive the cut' out his cattle time on the way up. I made up his berth early in the evening, and he went to bed. I helped to undress him and to be with him most of kidney disorder since 1881, and berth early in the evening, and he went to bed. I helped to undress him and to be with him most of kidney disorder since 1881, and I helped to undress him and to be with him most of kidney disorder since 1881, and I helped to undress him and to be with him most of kidney disorder since 1881, and I helped to undress him and to be with him most of kidney disorder since 1881, and I helped to undress him and to be with him most of kidney disorder since 1881, and I helped to undress him and to be with him most of kidney disorder since 1881, and I helped to undress him and to be with him most of kidney disorder since 1881, and I helped to undress him and to be with him most of kidney disorder since 1881, and I helped to undress him and to be with him most of the time on the way up.

I made up his berth early in the evening, and he went to bed. I helped to undress him and to be with him most of the time on the way up. Deftly he will drive the animal to the outer edge of the herd, and then with a quick dash runs the beast out away from the drove, and it is taken in charge by others of A's ranchmen, while the cutter goes back after another. After some fifgoes back after another. After some fifthough, when we gat to Jersey City.

got in Pittsburg here, I looked into his beth. and he was dead. Well, he was taken out here, but we did not know any of his friends, and could not telegraph them. They were waiting for him, though, when we gat to Jersey City.

got in Pittsburg here, I looked into his beth. All local trouble heaves dead. Well, he was taken out here, but we did not know any of his friends, and could not telegraph them. They were waiting for him, though, when we gat to Jersey City.

He then followed Warner's SAFE Cure in 1882.

and June 23, 1884, writes: "I have never enjoyed better health,—all owing to War."

Have taken no medicine for nearly a year." though, when we gat to Jersey City.

They didm't know he was dead. His father, a white-haired old man, and his sister, a beautiful girl of not more than has its cattle cut out. If any cattle are 18 years old, were at the depot, and were Bal. of N. Eng., - 331,315. 18 years old, were at the depot, and were almost the first people I saw when I stepped down from the car. I had an idea they were his friends as a coon as I saw them, and it made me feel shaky, I can tell you 'Is Mr. Nathan with you, porter?' asked the young lady, looking kind and anxious. Well, I just looked at her and then at the old gentleman, and I couldn't bear I couldn't say a word. I couldn't bear look, I say a word. I couldn't bear look and a look an I couldn't say a word. I couldn't bear to tell them that he was dead, and so I just said: 'No, ma'am, he got off at Pittshave reached the point where we intend is found, it is sold at auction for the and said: 'Why, was he worze?' The old man was so nervous that he just clung to the lady as if he was afraid of falling. don't know ma'am,' I managed to say.

"One of the funniest cases I ever ran It across," he continued, "occurred this water cooler to get a drink. When she started back she forgot her berth, and her bashfulness only made it worse. She got back to what she supposed was her berth and piled in. Well, I heard a swear

young husband woke up and missed his Cincinnati, - - 655,250. wife and he was almost wild, and came running up to to the car to where his to the Texas pair and got them quieted down. Then I told the other passengers that there was nothing the matter and they pulled in their heads. The young fellow and his wife wouldn't go back to

their berths for about an hour until they were sure everyone had gone to sleep. managed everthing, so that no cue but the old couple ever knew anything about it or what it was that raised the disturb ance. When they left the car the next day he slipped \$10 in my hand. Their names? Oh, no! I couldn't give you

"I had another experience, though that floored me once. There is a pretty little black-eyed boy who lives over in Allegheny, who first saw the light of this world in a Pullman car of which I was porter. The boy is three years old now, and he and his mother and father went down over the road with me this winter on their way to New Orleans.

"On the advice of Governor Drew's sister, I began Warner's SAFE Cure, and it has never failed.

Drew of Jacksonville, Florida, April 20th, 1884, says "Mr. Worrell's case and cure give me great confidence in Warner's SAFE Cure, and I unhesitatingly indorse it."

Bal. Ohio, (State,) - 474,869.

Mrs. S. A. CLARK, East Granby, 1884, he wrote, "My health is better than it has been for five years, When

four years ago, and has kept me well." = San Francisco, - 932,210.

Southern States, - 2,725,513.

ROBERT GRAHAM, 77 Penn street, Brooklyn, N. Y., suffered for six years from inflammation of the bladder and stricture. Six physicians, specialists, gave him up to die. In 1883, he began Warner's SAFE Cure and its continued use, he says, effected a complete cure. Under date June 25, 1884, he says, "My health continues good; have used no medicine since April 30, 1883,"

Southern States, - 2,725,513.

JAMES M. DAVIS, 330 South Pearl street, Albany, N. Y., superintendent of Jagger Iron Co., in 1881 suffered from very serious kidney trouble; he weighed but 160 pounds; he used 18 bottles of Warner's SAFE Cure, and December 8th, 1884, he wrote, "That was fully three years ago. I have had no trouble since, and I feel first class and weigh 198 pounds. I would not go back to that time of four years ago for all the dollars in the United States."
