and it just meets the taste of a large number of chewers. Orders for "Plowshare" are coming in rapidly from all parts of the country, demonstrating how quickly the great army of chewers strike a good combination of Tobacco, both as to quality and quantity. Messrs Loillard & Co. have exercised as little time and labor in endeavoring to reach the Acme of Perfection in Plowshare, at d seem to have done it. Besides the Tax CANT CUTS of Plowshare are Nebraska had complied with the conditions imposed by the act of congress, and that Nebraska is now a state of the union. The act itself directed the president to issue the proclamation on receiving official Almost Double in Size evidence that the conditions had been ratified and accepted. Thus Nebraska was admitted into the constellation of
