THE AILY MAHA

THIRTEENTH YEAR.

ni

OMAHA, NEB., THURSDAY MORNING, JUNE 4, 1885.

NO. 247

Samuel Sheares as chsirman and Robert Patrick secretary, the committee ap-pointed one week ago to solicit subscrip-\$4 65@5.30; cows and mixed common, \$2 30@ tions reported that they had secured 3.15; good, \$3.25@4.40; stockers and feeders, \$3.60@5.00; slopped cattle, \$5.00@5.35; Texas \$40,100 on condition that the full cattle, \$3.60@4.60. amount (\$50,000) required is taken.

amount of claims, \$397,318; appropriations, \$335,000; differences, \$62,381. Secratary Whitney has designated Admiral J. W. Nicholson, retired, as the naval mem-ber of the prize court to be appointed by the United States district judge at New York to examine the officers of the Ambrose Light re-empty assumed by the Alliance for alleged cently capured by the Alliance, for alleged violation of the neutrality laws. Five prisoners, including the captain and mate, were captured by the Alliance. The board recently appointed by the presi-

dent to examine and report on the defenses and fortifications of the United States, met at the war department this morning-Secre at the war department this morning—Secre-tary Endicott, president of the board, Gen. Bennett, chief of ordnance, E. G. Newton, chief of engineera, Gen. Abbott, of the en-gineer corp^{*}, Capt. Saith, of the ordnance department Commanders Simpson and Good-rich, of the navy, John Morgan, of Phila-delphia, and E. Corning, of New York. A general discussion of the purposes of the act was indulged in, and a resolution was adopted an afternoon session. providing for the appointment of a committee to collect and arrange the information called

for by congress. Among the new officers appointed to-day

were: Collector of internal revenue-John H. Farley, the eighteenth district of Ohio; Thomas C. Bronston, eighth district of

Kentucky. Deputy third auditor of the treasury, William Welsh, of Maryland, vice A. M. Gange mer, of Ohio, resigned by request. Welsh is a well known newspaper man, and was for many years editor of the Baltimore Gazette. He lived in Pennsylvania for several years, and served in the state Senate. His ap-pointment was urged by Randall, of Pennsylvania Maryland, and Representative Eindley,

The members of the cabinet have decided to follow President Cleveland's plan hereafter and receive no visitors on Saturdays. United

A. G. Menocal, civil engineer, United States navy, reported his arrival at New York from Nicsrauga, where he has been in charge of a party surveying a canal route. The acting secretary of state received to-day from United States minister to Madrid, a leablegram stating that a government comhad declared the existence of an

Asiatic cholera epidemic in the Spanish The secretary of

province of Valencia. The secretary of the navy has not yet ex-amined the record of the court of inquiry in the case of Paymaster-General Smith, and methics of Hall thing official can be learned regarding the indings. It is stated, however, that the evi-dence, while not establishing any collusion with the contractors, showed such negligence and irregularity in the matter of contracts that the secretary will be likely to order a court-martial.

Gen. Black, commissioner of pensions, has decided to not take favorable action on the decided to not take favorable action on the application for pension by a soldier who de-serted from his second term of service and again enlisted, during which enlistment, he alleges, he was disabled. The claimant, Black says, must seek relief through the war depart-ment or through congress. The commissioner also rejected the claim of a soldier who en-tered the service as a substitute and deserted on his way to his resirent and here the tered the service as a substitute and deserved on his way to his regiment, and having been captured and tried by a court-martial, was sentenced, among other things, to make good the time lost by his desertion. It was during his service under his sentence that the disease attacked him and disability followed for which he claimed a pension.

EVACUATING PENIDEH. LONDON, June 3.- A dispatch from Simjer states the Russians are evacuating Penjdeh, but no public notice of its accession has been posted at Herat. The Afghan soldiers are much incensed as they expected to avenge

their defeat. THE ENGLISH DERBY. LONDON, June 3.- The greatest event on LONDON, June a. - The greatest event on the English sporting calendar, the race for the Derby stakes, was run to-day at Epsom downs. The weather was brilliant and the attendance enormous. Thomas M. Waller, consul general of the United States at London,

was among the spectators, accompanied by a large party of Americans. Lord Hasting's hay colt Melton, ridden by the famous jockey, Fred Archer, won; Capt, C. Bowling's bay colt Paradox, secured second place; and Mr Childwick's bay colt Royal Hampton, third. Melton was the favorite in the betting, Para-

dox second choics. The race at the finish was close and exciting. Melton won by a head; Royal Hampton a bad third. Time, 2:44 1.5. The attendance was unprecedented. Be-aldes the Prince and Princess of Wales and family, the dukes of Edinburgh and Cam-bridge and other royal personages were pres-ent. They were warnly greeted on their ar-rival. The inckes Astronomic of the second rival. The jockey Archer, after his victory was the recipient of an ovation.

RUSSIAN SHIPS IN TRAINING.

ST. PETERSBURG, June 3 -The Cronstadt and the Baltic squadrons of the Russian navy here have been ordered to unite in a cruise with the object of executing naval manouvers on a grand scale. The united fleet will coneist of eighteen men of war, a torpedo flotilla training squadrop, and several gunboats.

THE CASHMERE EARTHQUAKE.

LONDON, June 3 .- Official reports of th earthquake in the vale of Cashmere show i was not nearly so disastrous as at first re ported. The shocks began Sunday morning at 4 o'clock, but were so light at first as to merely scare the inhabitants from their houses, and when the heavy shocks came the houses were empty. The people are still camped in the fields.

PADDLES HIS OWN CANOR.

QUEENSTOWN, May 3.—A small canvas-decked boat, the Neptune, has arrived here from Ferzance and will start for New York on Friday. The only soul on board is a Nor-wegian. Johnson is his name. He hopes to finish the voyage in two months.

GERMAN-AMERICAN RIGHTS.

LONDON, June 3 -A dispatch to Reutter Felegram company from Berlin says: "It i anderstood that the next task of Mr. Pendle "It i ton, United Statesminister, will be to resume the negotiations regarding the position of minors born in America, sons of German parents who, after being naturalized in America take up their residence in Germany. The ne gotiations commenced by Kasson were with-out result. The principal point of dispute is whether the government can in the interest of

public order requierin such minors the right of residence in Germany.
