## THE DAILY BEE --- SATURDAY, JUNE 6, 1885.

He Wants to See It, Too

### SPRING FEVER A BUSY LIFE ENDED.

The Death of Francis M. McDonagh Ma Yesterdoy Morning-A Brief Sketch.

Francis M. McDonsgh. who has been sinking slowly for the past two weeks, at half-past eight o'clock died morning vesterday at his residence on Eighteenth and Chicago streets. He was surrounded by friends and members of the family, and his passing away was so easy and painless young granger to Clifton, who pretended to be assistant foreman of the BEE comdiscerpible.

fast friends, and before Conroy knew Mr. McDonsgh has been suffering for what he was about Clifton had given him the past year and a half from a disease an order on the foreman of the compos which has existed with a variety of modifiing room for \$10 and taken in exchange cations, but which a probably correct diagnosis had determined to be cancer of cations, but which a probably correct diagnosis had determined to be cancer of the stomsch. About two months ago he went to New York, desiring to consult discovered that "William Clifton, assistsome of the prominent physicians of that ant foreman," was a myth. The case was reported to the police, and Officer Buckley arrested the swindling pair as state with reserence to his case. Medical advice availed him nothing, however, and he returned two weeks ago in a con- stated. dition of health worse than before he

went east. Since that time he has been IMPIETIES. sinking rapidly, during the past few days Talmage has \$60,000 insurance, and the companies are discussing the feasibility of placing a net under him when he preaches.

being in a state of unconsciousness most of the time. The burial arrangements are not yet complete, but the funeral ceremony will An Alabama man withdrew from the church because his preacher refused to take a drink with him. Alabama men are foolishly parprobably take place Sunday afternoon. Francis M. McDonagh was born in

ticular. Loughres, county Galway, Ireland, in Revivalist (to young man loitering near the 1839. At the early age of thirteen he had completed the national school course at door)-Are you seeking for the Lord, young man? Young Man (nervously)-No.o., I am seeking Miss Polly Smith, but I can wait until the meeting is over. his native town, being particularly distin-

guished as a mathematician, and at once entered the field of journalism. His The old testament revisers have abaudoned "hell" and have put "sheel" in its place. That's better. When you pronounce "s-h-e-o-l" slowly it has a cool, swash sound that is comforting.-[Pittaburg Chronicleearly contributions, in the shape of stories, sketches and poems, were published in the London Penny Journal, Telegraph.

the Dublin Magnzine and other leading periodicals, and his clear cut, pungent writings soon gained him a prominent position in the profession. His earnings Probably the best thing the Bible revisers have done is the throwing put of the request of Job that his adversary should write a book. It has long been recognized, even by dull peo-ple, that there are too many books, and that the Bible should contain nothing encouraging, even in the remotest manner, their accumulafrom this source were sufficient to carry him through a course in the Dublin agricultural college, and thus he became thoroughly versed in scientific farming, as tion.- Courier-Journal.

Parson Newman's pathetic little story about prayer, brandy, faith, and baptism in Gen-eral Grant's case has been touched with the frost of an emphatic denial by Drs. Shrady and Sands, who declare that they never gave the general any brandy and have no knowl-edge of the other alleged occurrences described by the parson. It will take a little brandy to brace Mr. Newman up if he gets knocked out many more times. well as botany, astronomy and medicine. At the age of nineteen he left Ireland for this country and at different times was connected with the New York Freeman's Journal, and the Times and Telegraph of the metropolis. His thorough knowledge of foreign history, and his aptitude as a newsgatherer and condensor gained him distinguished many more times.

condenser gained him distinguished recognition on these papers. Drifting west at the breaking out of the war, he secured a position on the staff of the Chicago Times, and was one of the stur-dy defenders of that paper when it was raided by a mob for its utra-secession sentiments. Coming to Omaha in 1865, he took charge of the city department of the Herald, which started the following wear and by his naines taking, thorough year, and by his pains-taking, thorough The revision of the Old Testament has re

vired the hopes of some people who expect to have things smoothed for them all through this life. It was this interesting fact that in-duced Shuttle to attend church yesterday. "How did you like the sersom?" inquired a "How did you like the senson?" inquired a friend as he passed out of the vestibule, "Never was so disgusted in my life. Why, the man took 'Thou shalt not steal' for his text." "That's a good text," "It's the same eld text. I thought the new version would read, 'Thou shalt not compromise for twenty-five cents on the dollar."-[Hartford Post.

he started the Dakota City Mall. He was chief clerk of the house of the eight legislature of Nebraska, in

roy, an innocent country lad, in a very novel way yesterday. Murphy and another young man, both of them claiming to be printers, met Conroy and told him that they would get him a situation in the BEE composing room to learn the trade

to go over to Council Bluffs. It appears

Conroy who has been in town since Mo day night looking for work, was ove joyed at this proposal, and, to use his ow The Glories of June. Now fold away your roller-skate, Put ulsters in the chest. Pack camphor in your sealskin sack, Get out your linen vest. posing room. The three soon became The mercury's exceedingly high,
